

## VISION AND HEARING

The school nurse will provide screening of the students vision and hearing in the Kindergarten, second, fifth, eighth and tenth grades. Vision screening referrals will be given to parents for students who fail the vision test. The school nurse shall provide the parent with notification of a failed hearing test with an audiogram and recommend that a medical or audiological evaluation be obtained.

The Lion's Club Service Organizations of Vista, Pride of Vista and Vista de Amigos assists families with financial need to obtain glasses for students for a minimal donation. A referral must be made through the school nurse. Please call for details.
