**SPORTS SEASON**

Any student who is on the eligibility list of a team may not begin (participate in) the next sport season until the previous season is officially over (last contest). All obligations need to be cleared before the next season's practice begins. Athletes are responsible for all equipment that has been checked out to them.

**TRANSPORTATION/ACTIVITIES**

In general, **students are required to ride school transportation to and from activities**, students are expected to return from activities the same way they arrived. Certain occasions may warrant consideration of some alternatives.

- Athletes may ride from activities only with their parent at parental request. However, this should be practiced only if there are unusual circumstances. (Parents must talk with coach or Activities Director)
- Students whose parents consent to other forms of transportation for **intradistrict** practices or events must complete a consent form.
