

# The Family Resource Center (FRC) services the students of Grant Middle School and within APS Zone 4.

The FRC provides clothing, food, school supplies, household staples, and much more to not only our students but the entire family unit. We strive to be a safe and nurturing environment for all to come as they need. We have amazing community partners who have helped us provide school supply packs to students, stocked our pantry, donated clothes, provided peace corners in each of our classrooms, volunteering in our "One Book, One School" program. In the fall they adopt families and provide Thanksgiving and holiday baskets of food. Some of them are here today so, please take a moment and thank them for their generosity. We would not be able to offer everything we do without these community partners.

Farmers Insurance, Fidelity, Hands on Nashville, Sandia Baptist Church, and  
St. Paul's United Methodist Church

If you have the resources and can donate to the FRC, we will have collection boxes
