Agenda Topic – Announcements

MLSS self assessment due Nov. 1

Busses are being re-routed and those new routes will begin Nov. 1

SAT training is happening today and staff will be trained on the new MLSS strategies.

Tickets are being passed out to students who are in dresscode - randomly in the halls. We are trying to focus on positive reinforcement.

Reminders to slow down when leaving campus. Please don't speed near the school.

Duty stations may be reorganized in January.

Agenda Topic: Behavior

The administration is still handing out tickets for doing a good job with the dress code. There has been a huge issue with graffiti in the bathrooms. Due to this the bathrooms are closed again. The admin is really trying to get this under control, but there are still a lot of problems. The upstairs C-Hall bathrooms are still open, the bathrooms by the library downstairs, and the bathrooms by the cafeteria are open for lunch. Admin is working to contact parents and maintain behavior. The admin has really worked on being more present, and are asking that we all really focus on being on hall duty and at duty stations.

Perhaps we need a review of expectations again. Maybe another video to explain to the students why we are asking them to wear their identification and their behaviors. Addie (the Jr. Senate representative) did think that kids hear better from their friends. She pointed out that some kids don't like the ticket plan because they feel that they get left out when they are the students who wear them everyday.

Agenda Topic: WICOR

The WICOR focus right now is moving from writing to Inquiry. There will be a document shared with each group outlining ideas for this topic.

Agenda Topic: Honor Roll

The honor roll certificates should be handed out during Advocacy by mid November. Honor roll is a 3.5 or higher.

Agenda Topic: January 3rd PD

Originally we wanted to follow up with restorative practices and PD from TLFs. Now there is a directive from the district that there is a 2 hour required training from the Department of Education regarding special education. So, the new plan is to do the required PD on the 3rd, and anything the TLF's were planning will now be after school. Teachers will get prep time in the afternoon on the 3rd.

Agenda Topic: Team Report Outs

***Student Incentive Teams:** The meter is posted on the office tv, and it is on the news. This has been on the news regularly. November 19th for a reward day. Still trying to figure out if there will be a tech zone. Continue to fill out the forms for students doing awesome things.

***Advocacy:** Everything going smoothly. The door decorating contest just wrapped up. Pizzas today for the winners. Everyone going back to Habitudes. November will be preparing for parent teacher conferences. Families will have the choice to elect to have conferences in person or online, the teachers will be able to determine how they want to structure that.

***Staff Satisfaction:** Still trucking along. Advocacy is going to provide lunch this Friday. Next month during PTC, there will be pumpkin pie in the lounge as a treat during conferences.

***Parent Involvement:** Please pass out the candy gram forms to your students so they can order the boo grams. The PIG group is not going to be the FIT (Family Involvement Team) so that this group feels more inclusive to families who don't have parents.

Next meeting date - October 16, 2021
