BP 1330

#### Community Relations

The Governing Board recognizes that district facilities and grounds are a community resource and authorizes their use by community groups for purposes provided for in the Civic Center Act when such use does not interfere with school activities.

(cf. 6145.5 - Student Organizations and Equal Access)

All school-related activities shall be given priority in the use of facilities and grounds under the Civic Center Act. Thereafter, the use shall be on a first-come, first-served basis.

As necessary to ensure efficient use of school facilities, the Superintendent or designee may, with the Board's approval, enter into an agreement for the joint use of any school facilities or grounds. The Board shall approve any such agreement only if it determines that it is in the best interest of the district and the community.

Subject to prior approval by the Board, the Superintendent or designee may grant the use of school facilities on those days on which the school is closed. (Education Code 37220)

The Superintendent or designee shall maintain procedures and regulations for the use of school facilities and grounds that: (Education Code 38133)

1. Aid, encourage, and assist groups desiring to use school facilities for approved activities
2. Preserve order in school buildings and on school grounds and protect school facilities, designating a person to supervise this task, if necessary

(cf. 0450 - Comprehensive School Safety Plan)

(cf. 3516 - Emergencies and Disaster Preparedness Plan)

3. Ensure that the use of school facilities or grounds is not inconsistent with their use for school purposes and does not interfere with the regular conduct of school work.

There shall be no advertising on school facilities and grounds except as allowed by district policy specified in BP 1325 – Advertising and Promotion.

(cf. 1325 – Advertising and Promotion)

Other groups, including nonprofit groups not organized to promote youth and school activities or for-profit groups that request the use of school facilities under the Civic Center Act, shall be charged an amount not to exceed direct costs. However, if the use of school facilities or grounds is for religious services, the group shall be charged an amount that equals or exceeds direct costs determined in accordance with Education Code 38134.

In determining direct costs to be charged for community use of school facilities or grounds, including, but not limited to, playing or athletic fields, track and field venues, tennis courts, and outdoor basketball courts, the Superintendent or designee shall include a proportionate share of the costs of the following: (Education Code 38134)

1. Supplies, utilities, janitorial services, other services of district employees, and salaries of district employees directly associated with operation and maintenance of the school facilities or grounds involved
2. Maintenance, repair, restoration, and refurbishment of the school facilities or grounds

However, for classroom-based programs that operate after school hours, including, but not limited to, after-school, tutoring, and child care programs, direct costs to be charged shall not include the cost of maintenance, repair, restoration, or refurbishment of the school facilities or grounds. (Education Code 38134)

(cf. 5148 - Child Care and Development)

(cf. 5148.2 - Before/After School Programs)
