Provider further agree to waive any claim or allegation that the suit, action, or proceeding is either brought in an inconvenient forum or that the related venue is improper.”

19. **DISPUTE RESOLUTION.**

a. The parties agree that, in the event of any dispute under the agreement in which the amount sought is $5,000.00 or less, any litigation to resolve the dispute shall be brought in the Ventura County Small Claims Court.

b. If the amount in dispute exceeds $5,000.00, the parties agree that they will first submit the matter to a mutually agreed upon mediator. Notwithstanding “Attorneys Fees” section, the cost of the mediator shall be borne equally by the parties.

c. If the mediator is unable to resolve the dispute, then the parties shall submit the matter to binding arbitration in Ventura County pursuant to the rules of the American Arbitration Association (AAA), as amended or as augmented in this Agreement (the “Rules”). The parties acknowledge that one of the purposes of utilizing arbitration is to avoid lengthy and expensive discovery and allow for prompt resolution of the dispute.

Arbitration shall be initiated as provided by the Rules, although the written notice to the other party initiating arbitration shall also include a description of the claim(s) asserted and the facts upon which the claim(s) are based. Arbitration shall be final and binding upon the parties and shall be the exclusive remedy for all claims subject hereto, including any award of attorneys’ fees and costs. Either party may bring an action in court to compel arbitration under this Agreement and to enforce an arbitration award.

All disputes shall be decided by a single arbitrator. The arbitrator shall be selected by mutual agreement of the parties within 30 days of the effective date of the notice initiating the arbitration. If the parties cannot agree on an arbitrator, then the complaining party shall notify the AAA and request selection of an arbitrator in accordance with the Rules. The arbitrator shall have only such authority to award equitable relief, damages, costs, and fees as a court would have for the particular claim(s) asserted. In no event shall the arbitrator award punitive damages of any kind.

The arbitrator shall have the power to limit or deny a request for documents or a deposition if the arbitrator determines that the request exceeds those matters, which are directly relevant to the claims in controversy. The document demand and response shall conform to Code of Civil Procedure section 2031. The deposition notice shall conform to Code of Civil Procedure section 2025. The parties may make a motion for protective order or motion to compel before the arbitrator with regard to the discovery, as provided in Code of Civil Procedure sections 2025 and 2031.

20. **ATTORNEYS FEES.** In the event of any action or proceeding to interpret or enforce the terms of this Agreement, the prevailing party, as determined by the court or arbitrator, shall be entitled to recover its reasonable attorney fees and costs incurred in connection with such actions or proceeding.
