"A Community Inspiring Tomorrow's Minds Today."

MESSAGE

As we close the 2022-2023 school year, I just want to say thank you to our amazing teachers and staff! We have incredible adults working with our students at Northeast Dubois. Thank you to the parents and guardians for all the support you provide to your student and our school. Students, thank you for all your hard work and for making this a great school year; you should be very proud of all your accomplishments! Finally, Seniors, thank you for your leadership this year. Congratulations to you, the Northeast Dubois Class of 2023! I wish you all the best in your future endeavors.

FOR YOUR INFORMATION

Summer School and Summer Enrichment Camp will be taking place this summer. Contact your school for specific details.

Ivy Tech is offering free summer courses for all high school students. This initiative covers tuition, books and fees. For more information, visit ivytech.edu/freecourses.

Our current referendum ends at the end of 2023. We are studying our enrollment trends and comparing that to financing we receive from the State. We haven't made any decisions regarding a renewal yet, but we are looking at options.
