

WORK PERMITS

All minors under age 18 must have work permits (including minors employed by parents). Exempt: Minors who have graduated and have a high school diploma or have taken and passed the California High Proficiency Exam.

Applications for a work permit are available online (CDE B1-1 form) and can be printed, completed, signed and submitted to school for approval.

Minors must meet mandatory school attendance laws, maintain satisfactory academic progress and have parental permission in order to obtain a work permit.

School officials have the legal right to restrict or reduce the type of employment and/or the hours a student may work. If evidence is shown that the school work or health of a minor is being impaired by employment, the work permit will be cancelled.

Work permits must be renewed at the start of each new school year or at the time the minor obtains a new job.

Work permits must be kept on file at the minor's work site. Work permits serve as age certificates and state the maximum hours minors may work.

UNIFORMS

When uniforms are required by the employer, such uniforms shall be provided and maintained by the employer. "Uniform" includes apparel and/or accessories of distinctive color or design (i.e., company name imprinted on hat, shirt, etc.).
