

The Falcon Flyer

FROM THE PRINCIPAL

January 2020 Newsletter

Happy New Year Flory Families! I hope your winter break was full of rest and relaxation. 2020 brings with it many happenings here at Flory. Starting this month, we will begin School of Choice registration. If you have friends or family members with school aged children in or around Moorpark and love our school as much as we do, let them know that we will be having a parent informational night on January 16 at 6 p.m. in the Multi Purpose room. School tours will begin the following week and are scheduled for: January 30, February 3, February 10, and February 18. We look forward to meeting our future Falcons!

STEM night is coming up at the end of the month! Please come by and experience some of the amazing STEM explorations, experiences, and experiments. This is a family friendly event. Some of the exciting stations planned include: virtual reality goggles, right turn only maze, robotics, rocket launchers, and we will be showcasing our Science Fair projects. We will also be showcasing our STEM Lego Lab!

Our lost and found is quickly filling up again! Make sure to label all of your child's items with their name and classroom number or last name initial. This includes sweaters, jackets, hoodies, umbrellas, gloves, water bottles, and lunch boxes. This will help everyone locate misplaced items and get them back to their rightful owner.

Finally, if you have recently had a change in any of the home information provided at the beginning of the year, including change of address, phone number, or emergency contacts please let the office staff know as soon as possible. This is all for the health and welfare of your children. We need to be able to get a hold of you and communicate with you in a timely manner. In the event of illness, we need to be able to get a hold of someone that is available to come and pick up your child. If there is a change in the daily routines involving drop off and pick up, let your child's teacher know. Student safety is always our utmost concern.

I am looking forward to continuing to work with you as we set our falcons up to SOAR to success!

Sincerely,

Principal Silva

LCAP Survey

Forms are available online or in the office, thank you for your participation.

MARTIN LUTHER KING JR. DAY

January 20th has been designated as a school holiday in commemoration of Dr. Martin Luther King Jr. Birthday. Students will be studying the contributions of this famous American through class discussions and presentations.

MESSAGES & LUNCHES FOR STUDENTS

Classrooms are not interrupted for messages. If you have an important message for your child or a late lunch, it will be left in the teacher's box, which is checked at recess and lunch. Please help us by making arrangements prior to school hours or getting your messages to the school before lunch. We are unable to forward any calls during these valuable learning times. Thank you for supporting the education of all Flory students.

SAFETY CONCERNS

Students' Safety is our primary concern! If your student walks or if you bring them to school, you can help us by observing these rules:

- Use the drop off and pick up area in the main parking lot only.
- Please do not drop off students on 3rd street. All students should enter through the main gate by the lunch benches or through the kindergarten gate (Kindergarten students only).
- Never let children out of the car in front of the auditorium. This is dangerous and holds up traffic.
- **Be patient and drive slowly. You might be saving a child's life by calmly taking a few extra minutes!!**

Open Enrollment

Registration for 2020-2021 school year have begun at the District Office Enrollment Center. More information can be found at www.mrpk.org.
