

# FLORY FALCON FLYER

FEBRUARY 2020

## FROM THE PRINCIPAL

Greetings Flory Families,

We have a lot to celebrate this month including all of our Peacemaker Award recipients. The Peacemaker Award goes to students who have demonstrated our PBIS focus pillar for the month. This last month our focus was on "Safety." This month our focus is on being "On task." Talk to your child about what this looks like in all of the various settings at school including: in the classroom, on the playground, in the library, etc. Helping us communicate our school wide expectations (Be Safe, On task, Accepting of others, Respectful) makes a big difference in our school climate. We are continually reinforcing and rewarding this behavior with our Flory falcons.

A few kind reminders:

Our 2018-2019 School Accountability Report Card (SARC) is now available online. Please visit our school website at ([floryacademy.com](http://floryacademy.com)) to access this document.

Our lost and found is full of items again. This is not uncommon, especially as the weather warms up again and students peel off their layers. Please take a look and recover any items that belong to your child.

ELAC and SSC meetings will be held this month. ELAC will be on 2/12 at 9 a.m. and SSC will be 2/19 at 3:00 p.m. We would love to see you there!

Thank you for your ongoing partnership as we work together to support all of our students and help them SOAR to Success!

Sincerely,

Rosalinda Silva  
*Principal*

## SCHOOL SITE COUNCIL

The next SSC meeting will be Wednesday, February 19th at 3:00pm. We hope to see you there.

## GOOD NEIGHBORS

Please don't park in the Rainbow Childhood Center parking lot. It is for their parents and staff only. Thanks for remembering to be a good neighbor.

## ATTENTION 5TH GRADE FAMILIES

If you're interested in having your child attend 6th grade at a middle school out-side of your regular school attendance area, you may pick up a Parental Choice Transfer Request form online [www.mrpk.org](http://www.mrpk.org) or our office and will be accepted until March 20th.

## EMERGENCY CARD UPDATE

Parents, have you moved or changed phone numbers? For address change please stop by the office to fill out a form with proof of residency. Please take the time to update your student's annual emergency and contact information on Q Parent Connect. It is an important and necessary task which needs to be updated annually. It is imperative that we are provided current contact information for your student, in the event of an emergency. The instructions on how to do this is on the [www.mrpk.org](http://www.mrpk.org) website for parents tab. If you have any questions in how to do so please don't hesitate to call our office.

## SAFETY CONCERNS

Students' Safety is our primary concern!

Here are a few ways to help us out:

- **Please** do not double park on the street.
- Remember to only cross at the crosswalk. Including the crosswalk in our parking lot.
- Do not leave your car unattended.
- Pull up as far right and forward without blocking the crosswalk.
- Do not block the exit.
- Do not park at the bus pick up side on 3rd St.

## TERRIFIC KIDS

Congratulations to our students who earned these awards for the months of December and January. Our next celebration will be held on March 13th at 8:45am. This event honors those students selected as a Terrific Kid. Parents will be notified in advance if their child is to receive one of these awards. Thank you to the Moorpark Kiwanis for sponsoring this program. The recipients of these awards for the months of December and January are:

### **January-Responsible**

Salahodean Salah, Sophia Muscarella, Camila Perez, Linda Morales, Alejandro Carillo Rodriguez, Gabriel Angeles, Sophia Rodriguez, Geovanny Troncoso

### **December-Respectful**

Agustin Lucio, Emmanuel Valencia, Estefani Ceja, Alejandro Ruiz, Alyssa Quezada, Guadalupe Tamayo, Kaden Stirling, Logan MacTarnaghan

Head lice are a common community problem. Children ages 3-11 and those who live with them are most commonly affected. There are many myths about head lice. For example, did you know.....

Lice do not carry disease?

They only crawl, but cannot fly or jump?

They are spread through prolonged head-to-head contact?

### **Learn more about lice here:**

<http://headfirstlicelessons.org/lice-questions.html>
