Dear Flory Parents,

This past month we have really encouraged our student council to develop their leadership skills on campus. They accepted the challenge and have requested to become more involved by serving as morning greeters and welcoming all students, staff, and guests on campus. They have also developed their public speaking skills and are now active participants in the morning announcements. After meeting with them this past month, they have also expressed that they will be working on a plan to keep our campus looking clean and beautiful (including our school garden), as well as a plan to develop monthly school spirit days. We all take all of these actions very seriously as we prepare students to become tomorrow's leaders in our global society and to become positive contributors to our local community as well.

As we bring 2018 to a close, I would like to encourage everyone to finish it out with a giving spirit. We are currently supporting the Kiwanis Club by accepting toy donations for their Annual Breakfast with Santa event. We are also collecting food items for the local Moorpark food pantry. All donations are greatly appreciated.

I look forward to continuing our collaboration into 2019.

Wishing you a wonderful holiday season,

Rosalinda Silva  
Principal

## Annual Toy Drive

It is time again for the Annual Food and Toy Drive. I'm sure you've seen the collection boxes already dropped off by the Kiwanis. The Kiwanis toy collection is for Breakfast with Santa on December 8. Additional information is on the flyers on the collection boxes.

We will also continue this year with our annual food and toy collection for Moorpark Pantry Plus/Catholic Charities. They anticipate serving approximately 500 children, so all contributions are much appreciated. Collection boxes will be at the school sites and district office shortly. Please note, I spoke with a representative from Moorpark Pantry Plus who said that they would also appreciate *new* jackets or sweaters, blankets and warm pajamas for girls and boys ages 0 – 9.

Toys for the Breakfast with Santa will be accepted through [Tuesday, Dec. 4.](#)

Food for Moorpark Pantry Plus/Catholic Charities will be collected [Thursday, Dec. 6.](#)

Toys for Moorpark Pantry Plus/Catholic Charities will be collected [Friday, Dec. 14.](#)

Thank you!

## LCAP

The Moorpark Unified School District invites you to participate in a brief parent survey to help us in the development of our Local Control and Accountability Plan (LCAP).

The Survey is available online at <https://www.surveymonkey.com/r/YC85CTR>. If you would prefer a paper copy, you may pick up and return one at any time at any school office or the District Office beginning November 13th. The paper surveys will be accepted until 4:00pm on Wednesday, January 16, 2019. Your input on school district priorities is important and we value your time to complete the survey.

## Rainy Day Procedures/Safety

When we receive some much needed rain, however with that comes more cars in the parking lot. If you pick up or drop off your child, it is vitally important that you are patient in the parking lot. In the excitement of getting through the rain, students sometimes do not use good judgment, even when they are supervised. We want everyone to be safe as they arrive and leave school. On rainy days, all students report to the MPR and their teachers will pick them up when the bell rings.

## Campus Supervision

Please be aware that, unless your child is enrolled in the Success Express extended day program, campus supervision does not begin until 8:00 AM and ends when the last bus leaves. Please do not leave your student at school early or leave them here after school. At the end of the school day, students riding buses are supervised, and the rest of the students need to be picked up or walk home immediately.

## Lost And Found

Please come check the lost and found for any lost jackets, sweaters, water bottles and lunch boxes. All unclaimed items will be donated December 21st to a local charity.

## Winter And Spring Break

Please check the dates below when planning your Winter and Spring Break plans. We realize that many relatives live far from Moorpark, but it is vitally important that your child does not miss school days before and after the official break. Valuable learning time that is lost is never fully regained. Missing additional days also gives a message that school is not a top priority. Thanks for your help.
