Greeting Flory Families,

This last month, we held our annual STEM Night and it was a huge success! Our STEM committee worked tirelessly to make this family event fun and engaging for all that attended. Some of the activities we had included: Straw Rockets, Robotics in Hollywood, Virtual Reality Goggles, Minecraft Robotics, Cotton Ball Catapults, and our Science Fair Project showcase. While we all enjoyed the winter rain and its many events, we are now looking forward to Spring and the opportunity for students to **show what they know in various areas.**

ELPAC testing

ELPAC testing, the annual assessment given to measure language proficiency for English Learners is well under way. This assessment is given in small groups and in individual sessions. ELPAC results will be mailed home in late summer or early fall. This assessment is only for students that have been identified as English Learners by the state of California.

CAASPP testing

This annual assessment is just around the corner. It is administered to all students in grades 3-8 and measures individual progress towards grade level state standards in the areas of English Language Arts and Math. Testing will begin the week after we return from Spring Break and will continue through mid May. Our testing schedule will be posted on our school website for your reference. In order to provide the best testing environment for students and to provide the time needed to complete the test, students not be pulled out of school during their testing days. Results for this exam will also be mailed home in late summer or early fall.

Talent Show

Our talented Flory students are preparing to put on a great show in May! The theme this year is "Cartoon Time Machine" and students from 3rd through 5th grade will be putting on a variety of performances from dancing to singing to live music. The date of the talent show is Wednesday, May 22nd. There will be two performances; one for the school at 1:45pm and one for family and friends at 6:00pm. Come out and show your support for our talented Flory Falcons!

I look forward to our continued collaborative work as we strive to set all of our students up for success!

Respectfully,

Rosalinda Silva
Principal

Nutrition And Physical Fitness

One of our goals for every student is to develop individual health and fitness. In 5th grade, students are given a state test that consists of sit ups, stretches, running a mile, and pull-ups. This year's testing will take place throughout the month of March, April & May conducted by our PE teachers. You can help your students prepare, too. Please discuss with your child the importance of eating healthy foods especially a healthy breakfast and of regular physical fitness through participation in the school's P.E. program. Evening family walks and bike rides are also a great way to enjoy being healthy. Good health habits formed at an early age will continue into our children's adult years.

Donations for Health Office

Our health office is in need of pants for boys & girls from sizes 5-8. We would greatly appreciate it.

Pi Day

TESTING

All 3rd through 5th grade students will be taking the CAASPP test this year. The only exception to this will be the 5th grade Science CST which all 5th graders will take this year. The CAASPP testing is all computer-based and will be done on different days for each grade level. The CAASPP testing schedule is as follows:

3rd Grade: April 8-9, 17-18, 30 May 3, 6,

4th Grade: April 15-16, 25 & 29 May 2, 8

5th Grade: April 10, 11, 23 & 24, May 1,7

5th Grade Science: May 9

Please make sure that you don't plan any appointments on these dates.

Drop Off And Pick Up

Please **DO NOT** double park on Flory Avenue and let your children out of the car. This is very dangerous. Please pull through the parking lot to the drop off area and drop your children off in the loading/unloading zone. Please do not enter through the exit and please do not park in the Rainbow Pre-School parking lot. They have changed their signs and you risk being towed. If you are walking, please use the crosswalk located in front of the office for entering and exiting campus during pick up times. The safety of our children is our number one priority. Please help us keep them safe.

Flory Talent Show

Our talented Flory students are preparing to put on a great show in May! The theme this year is "Cartoon Time Machine" and students from 3rd through 5th grade will be putting on a variety of performances from dancing to singing to live music. The date of the talent show is May 23rd. There will be two performances; one for the school at 1:45pm and one for family and friends at 6:00pm. Come out and show your support for our talented Flory Falcons!"

Important Dates: **Auditions: March 21st** 3:00pm – 4:30pm

Dress Rehearsal/Sound check: May 21st and 22nd 3:00pm – 5:00pm

Talent Show Performances: May 23rd Student Assembly – 1:45pm

Family and Friends Performance – 6:00pm

HEAD LICE

Head lice are a common community problem. Children ages 3-11 and those who live with them are most commonly affected. There are many myths about head lice. For example, did you know.....

Lice do not carry disease?

They only crawl, but cannot fly or jump?

They are spread through prolonged head-to-head contact?

Learn more about lice here:

Hello Falcons!

We've got a lot of things in the works for you this month. Lots of ways to get involved!

Congratulations to our Spring Box Top Winners: Mrs. Brower's class! A popcorn party is headed your way.

Our Sci-Fi dance is coming up in a couple of weeks. Keep your eyes out for ticket info. Our Boosters are hard at work planning a fun evening for you. Mark your calendar for March 15th.

Talent show auditions will be taking place later this month. More info to follow soon so stay tuned.

We have Booster board elections coming up in May. We have 3 Member at large positions open. If you're interested in getting involved with our amazing parent group, please let us know! It's a great way to get involved, be part of the planning, and get to know our Flory community.

Thank you to everyone that came out to Panda Express for restaurant night, Flory earned \$237.70!

Our annual FunRun is coming up next month and we are hard at work planning it all. Our kick off assembly will be on Friday, March 22nd.

Finally, a big thank you to Wendy Marcus, Mr. Serna, Mr. Keatts, and Ms Newth for putting together a fantastic STEM night. It was such a great evening. Thank you to everyone that braved the cold and came out to enjoy the evening!
