Dear Flory families,

As another school year comes to an end and summer vacation arrives, I invite you to cherish the memories you have made this year. Whether that be new friendships developed, new events participated in, new traditions begun, or new memories made with old friends - hold onto the love and laughter that we have all engaged in this year. Our Flory Carnival was a huge success as was our Holiday Boutique and STEM Night. Who could forget the Glow in the Dark Sci Fi dance and all of the laughter heard on the dance floor as everyone moved to the Cha Cha Slide? Our students had a blast. Fun Run was an incredible success, largely due to your support and our wonderful Booster's organization. If you missed the Human Sundae, I am sure you can still find it posted online somewhere! Our student council developed great public speaking skills and confidence as they took over morning announcements and made their presence known at our monthly Peacemaker Assemblies. I am extremely proud of all they have learned and accomplished and look forward to continue to see them grow and flourish.

Unfortunately, we ended this school year with the devastating loss of one of our beloved teachers. In her honor, remember to hold your children tight, embrace them and enjoy the moments of summer that create new friend and family memories. This year we have learned, laughed, love, and lost. Let the time we spent together be one that we cherish now and forever.

In loving memory of Karen Beatty.

We will have our Awards Assemblies as follows:

Our Kindergarten students will be having an end of year celebration on the last day of school. Congrats to all of our little ones and their teachers!

End Of The Year Health Notes

Please make arrangements to pick up your child's medication before the last day Friday, June 14th. Thank you for your help.

Now that the weather is getting warmer and it is staying light out later in the evenings it is time to think about SUNSCREEN. At least an SPF 15 is recommended; the best SPF to use is 30. A waterproof type of Sunscreen is the best for children as it lasts longer and doesn't wear off as easily.

Lost and Found

We have numerous articles that have been left by our students on campus. All lost and found items are on display in the quad area. Please come pick them up. They will be donated on the last day of school,

Q Parent Connect Annual Update

Parents, please take the time to update your student's annual emergency and contact information on Q Parent Connect. The 19-20 school year will be available for update starting in July. It is an important and necessary task which needs to be updated annually. It is imperative that we are provided current contact information for your student, in the event of an emergency. The instructions on how to do this is on the www.mrpk.org website for parents tab. If you have any questions in how to do so please don't hesitate to call our office.

Dave & Buster's was a great event! Thank you to the families that came, it was a super fun night and we can look forward to another D&B night next school year. We are still waiting to hear on our final numbers but we know that we brought in \$2600 with pre-sale power cards. Of that, Flory received 50% :)

On behalf of the F.A.S.T Booster Board members, we'd like to wish you all a summer full of adventures, laughs, and hopefully a little relaxation! To our graduating 5th graders, we wish you all the best as you head off to middle school! You're going to do amazing things! We are so proud of you.

To all of our returning Falcons, we look forward to another CAWESOME year next year. We'll see you all soon!
