

WALNUT CANYON SCHOOL

A CALIFORNIA DISTINGUISHED SCHOOL

280 Casey Road, Moorpark, California 93021

(805) 517-1722

ATTENDANCE POLICY

A student returning from an absence is required to have a note from the parent/guardian giving specific reasons for missing school. The note should also contain a signature of a parent/guardian. If the surname on the signature is different from that of the child, please indicate the relationship to the child. You may phone in the absence in which case a note will not be required.

Children who have been absent due to illness 3 days or more, who have had a communicable disease, or who were absent because of an injury, need to return to school with a Doctor's note and be readmitted through the Health Office.

Your notification to the school regarding your child's absence will assist us in keeping proper records for attendance during the year.
