March 15, 2021

Good Evening HSMC Family!

Thank you for continuing along with us on our 2020-2021 school-year journey. It continues to be our intention to keep you updated via weekly news updates, school website postings and updates to our social media. In each of these updates I will provide the most recent information related to our COVID19 response. At this point, cases have been consistently declining across Ventura County and while our county indicator remains “in the purple,” it appears as though we will be “in the red” as soon as next week.

We will be returning to a blended schedule for those who indicated that as their preference on our most recent survey beginning on Monday, April 5. For those families who have chosen to remain distance-only, nothing will change for your student and they will complete the school year with the same schedule they have had so far this semester. We will be holding mandatory information sessions in late March to explain all of the pertinent details for your student’s return (either distance or blended). If you have chosen “blended,” the days your student will be assigned to be in-person will be dependent on the final results of this survey, school-wide. Our plans will be developed based on the number of responses in each category. A blended student will attend classes in person 2 days per week and at a distance 3 days per week.

I will be meeting with all classes this week to discuss our in-person blended return, explain expectations, and describe the process for safe movement on campus. Additionally, individual emails will be sent to all families this week providing your individualized schedule. Once those are sent, I will be scheduling several Q/A sessions for parents before we leave for Spring Break.

Additionally, our third quarter ended last Friday, and we will be sending progress reports for high school classes out soon. Finally, as we look toward our Spring Break and in-person blended return, remember that Monday, March 29 - Friday, April 2 is the Spring Break for both HSMC and Moorpark College. We will return on Monday, April 5 for all courses (this is different for other MUSD schools who do not share our calendar).

The school phone number is 805-378-6312. If we do not immediately answer, please leave a voicemail and we will return your call as soon as possible. Additionally, you can always reach us via email using the email addresses listed on the final page of this update. I will continue hosting weekly principal’s office hours for drop in questions on Wednesdays at noon meet.google.com/osg-aoam-cgh. I continue to be incredibly excited for all of our upcoming events this year. Thank you again for your support for the High School at Moorpark College. Have a great week!

Sincerely,

Christopher J. Fennell Ed.D.

Front Office News

Ms. Mariana Gaeta (mgaeta@mrpk.org)

- **PLEASE DO NOT JUST “DROP BY” THE HSMC CAMPUS.** Our office is closed unless you have an appointment. Please call or email Ms. Gaeta to schedule a time to meet on campus. **Visitors will now be required to go through checkpoints at the College even if they are just picking up/dropping off.** The closest checkpoint will be by the Child Development Center on Campus Dr, just past the turn they would normally take to get to HS@MC. They will need to have the VCCCD app downloaded on their smartphone and select "visitor" in order to take the pre-screen survey. They will need to leave their device on the "Clear to be on campus" screen at the end of the survey and show that to the attendant at the checkpoint in order to get an all clear health pass on the app as well as a colored wristband(color will vary by day).
- Parents/Guardians **MUST** call us at (805)378-6312 ext. 7293 to report tardies or absences within 48 hours, 72 hours on Fridays or holidays (even students that are 18 or over, while they are attending HS@MC they are still considered a K-12 student and must have parent/guardian report for them for attendance purposes). Per District policy emails cannot be used.
- The Moorpark Unified School District Technology Office is providing support to our MUSD families with a technology support hotline which can be reached at **(805) 517-2100**. Live support will be available from 7:00 AM to 3:00 PM Monday through Friday. Please be aware this IT number is only for technical issues with our Chromebooks.
- Any issues with Moorpark College Canvas or ConferZoom must be directed to the Moorpark College Canvas Support team at (805) 553-4858 or mconlinestudentsupport@vcccd.edu. Additional resources such as Canvas Tutorials, a live chat box(during business hours) and an after-hours phone line for Moorpark College students can be found on the [Student Online Support](#) page.
