**7075 Campus Road, Moorpark, CA 93021**

November 16, 2020

Good Evening,

Thank you for continuing along with us on our 2020-2021 school-year journey. You have my continued gratitude for all of your support and flexibility as we close in on the end of our first semester. **There are no High School Courses next week, Nov. 23-27. High School courses will resume on Monday, November 30. However, Moorpark College IS IN SESSION November 23, 24, and 25 (11/26 and 11/27 are off). Please see updates from your professor(s) for information regarding your college courses next week.**

It continues to be our intention to keep you updated via weekly news updates, school website postings and updates to our social media. In each of these updates I will provide the most recent information related to our COVID19 response. At this point, our academic plan is to remain distance-only through the end of the first semester (matching Moorpark College). We intend to return under our blended model when we return for the second semester on Wednesday, January 6. Certainly, things can change between now and January, and I will keep you updated as to the nature of those changes.

All students should now be registered for Moorpark College Courses for Spring 2021. If you are not registered or need help please contact our main office. We will be using Jostens for our Graduation items for the class of 2021. More information about ordering caps/gowns/class rings, etc. was sent to seniors two weeks ago. The early bird deadline for ordering will be Friday, November 20.

We will be holding our first information session for transfers/applicants (for all grade levels) on Thursday, November 19 at 6PM via Google Meet. If you know anyone who is interested in attending HSMC, please share our information session information with them and ask them to sign-up on our website [www.hsmc.mrpk.org](http://www.hsmc.mrpk.org). We have openings at all grade levels for both Spring 2021 and Fall 2021.

If you are trying to get ahold of us via phone, it is important to note that our school phone number has been updated. We can be reached at 805-378-6312. If we do not immediately answer, please leave a voicemail and we will return your call as soon as possible. Additionally, you can always reach us via email using the email addresses listed on the final page of this update. I will continue hosting weekly principal's office hours for drop in questions on Wednesdays at noon [meet.google.com/osg-aoam-cgh](https://meet.google.com/osg-aoam-cgh). I continue to be incredibly excited for all of our upcoming events this year. Thank you again for your support for the High School at Moorpark College. Have a great week!

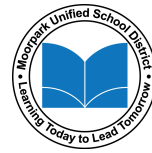

Sincerely,

Christopher J. Fennell Ed.D.

- [UCLA](#)
- [UC Merced](#)

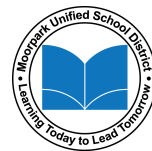

- [UC Riverside](#)
- [UC San Diego](#)
- [UC Santa Barbara](#)
- [UC Santa Cruz](#)

- **Here are some useful tips for UC Applications:**

1. Apply to multiple UCs. Remember that the fee waiver allows students to apply to up to four UCs for free.
2. Select “No Selection” when asked for citizenship status if they are undocumented, including those with DACA and AB540 status.
3. Research majors at the different campuses, as programs vary, and consider selecting an alternate major. Transfer students who submitted a Transfer Admission Guarantee (TAG) must apply to the same major at the TAG campus on the UC Application.
4. Work from unofficial transcripts when completing the Academic History to ensure accuracy of courses, credits, and grades. If a student has a repeated course, both the original grade and the repeated grade must be included in the application.
5. Use the Additional Information section in Academic History to explain any key academic changes, including gaps in education or unique changes in grading systems. UC understands that students have experienced changes in course delivery and grading options during the pandemic. Students can use the Additional Comments section to explain these academic changes.
6. Start working on the Personal Insight Questions (PIQs) early and make sure it's their own, original work. If students would like to share how they or their family have been impacted directly by the COVID-19 pandemic, UC recommends that they use the “Additional Information” sections on the application rather than the PIQs.
7. Consider activities and awards from a broad perspective, since a lot has changed in 2020. Work experience, family responsibilities, online activities, and individual activities will help readers get to know the student. Students should focus on their role, time commitment, and responsibility for activities, and should include information about the selection process for all awards and honors. While students can enter up to 20 items, quality is more important than quantity!
8. Apply for all scholarships for which they meet the criteria. There is no limit to the number of scholarships students may select.
9. Carefully review the entire application before submitting. There are very few things they can update or change once they submit. Submit the application before November 30!
10. Verify the information reported in the Academic History, Activities and Awards, and Personal Insight Questions sections of the UC Application. Students subject to verification will be contacted via the email they used when submitting their application.

- **PLEASE DO NOT JUST “DROP BY” THE HSMC CAMPUS.** Our office is closed unless you have an appointment. Please call or email Ms. Gaeta to schedule a time to meet on campus.
- **Visitors will now be required to go through checkpoints at the College even if they are just picking up/dropping off.** The closest checkpoint will be by the Child Development Center on Campus Dr, just past the turn they would normally take to get to HS@MC. They will need to have the VCCCD app downloaded on their smartphone and select "visitor" in order to take the pre-screen survey. They will need to leave their device on the "Clear to be on campus" screen at the end of the survey and show that to the attendant at the checkpoint in order to get an all clear health pass on the app as well as a colored wristband(color will vary by day).
- Parents/Guardians **MUST** call us at (805)378-6312 ext. 7293 to report tardies or absences within 48 hours, 72 hours on Fridays or holidays (even students that are 18 or over, while they are attending HS@MC they are still considered a K-12 student and must have parent/guardian report for them for attendance purposes). Per District policy emails cannot be used.
- The Moorpark Unified School District Technology Office is providing support to our MUSD families with a technology support hotline which can be reached at **(805) 517-2100**. Live support will be available from 7:00 AM to 7:00 PM Monday through Friday starting Monday August 24th. Please be aware this IT number is only for technical issues with our Chromebooks.
- Any issues with Moorpark College Canvas or ConferZoom must be directed to the Moorpark College Canvas Support team at (805) 553-4858 or [mconlinestudentsupport@vccd.edu](mailto:mconlinestudentsupport@vccd.edu). Additional resources such as Canvas Tutorials, a live chat box(during business hours) and an after-hours phone line for Moorpark College students can be found on the [Student Online Support](#) page.
- Alternatively, we can continue to communicate by mail, email and phone. Anything mailed should be addressed to HS@MC to ensure it is placed in our inbox at the College's mailroom.
- Congrats to the winner of the \$15 In-N-Out gift card prize and Trivia Night Champ bragging rights, Kathy Carrington! Shout out to the following virtual Fall Trivia Night participants: Kathy & Kira Carrington, Maddy Pot and the Pot Family (L, Ruby & Amy), Cary and Paul Chaput, Elliott Rosen and Jack Oakes Danielle Rees, Jaden Zirkle, Jahnavi Srinivas, The Mysterious cheeseravioli, and any other participants who we may have missed!
