

The High School at Moorpark College
7075 Campus Road, Moorpark, CA 93021

October 19, 2020

Good Evening,

Thank you for continuing along with us on our 2020-2021 school-year journey. You have my continued gratitude for all of your support and flexibility as we begin the second quarter of the school year. It continues to be our intention to keep you updated via weekly news updates, school website postings and updates to our social media. In each of these updates I will provide the most recent information related to our COVID19 response.

At this point, our academic plan is to remain distance-only through the end of the first semester (matching Moorpark College). We intend to return under our blended model when we return for the second semester on Wednesday, January 6. Certainly, things can change between now and January, and I will keep you updated as to the nature of those changes.

Later this week, we will be sending progress reports for high school courses. Please be sure to check QGIS (student/parent connect), and CANVAS for the most updates grades for high school and college coursework. Our PSSA and our School Site Council are looking for members. If you would like to nominate yourself or another member of our school community, please send me an email with the name of the person you are nominating and the organization you are nominating them to. The organizations help determine the specific plans for the High School at Moorpark College.

Registration for Spring Semester college courses will take place beginning on November 12th. Mrs. McIntosh (HSMC counselor), Mr. Hess (Moorpark College counselor), and I will be meeting with advisory classes the week of October 26th and hosting a parent information session on Wednesday, October 28th at 6PM. Mr. Hess will be providing drop-in college counseling services on the 27th, 28th, and 29th of October. Individual education plan meetings will take place with Seniors, Juniors, and Sophomores during the week of November 2.

If you are trying to get ahold of us via phone, it is important to note that our school phone number has been updated. We can be reached at 805-378-6312. If we do not immediately answer, please leave a voicemail and we will return your call as soon as possible. Additionally, you can always reach us via email using the email addresses listed on the final page of this update. I will continue hosting weekly principal's office hours for drop in questions on Wednesdays at noon meet.google.com/osg-aoam-cgh. I continue to be incredibly excited for all of our upcoming events this year. Thank you again for your support for the High School at Moorpark College. Have a great week!

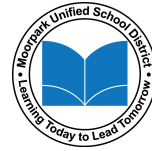

Sincerely,

Christopher J. Fennell Ed.D.

- **Financial Aid Fact of the Month**

- **Financial Aid Fact** – Did you know that the income cap for the California Middle-Class Scholarship has increased from \$177,000 to \$184,000? Keep in mind that the new cap applies to students enrolled in a CSU or UC during the 2020-21 year and the cap may increase for families applying for financial aid for the 2021-22 year. So all California families should apply, no matter what their income. For more information on financial aid at UC, please take a look at this short clip.

- **College Application Tips:**

- California State Universities (23 CSU's) Oct. 1-Dec. 4th
- University of California (9 UC's) Nov. 1-30th
- Private and out of state universities have a variety of deadlines
 - *Watch for Early Decision and scholarship deadlines

- **Personal Insight Questions:**

- *These are NOT essays.
- *They are looking for clarity, understanding, and perspective of how you spent your time in high school.
- *Use facts before feelings. Context and depth of knowledge is important. *Make sure they are learning something about you and not someone else.
- *Do not use abbreviations - or a term that the reader will not understand.

- **Activities & Awards Section:**

- *May list up to 20 activities - Focus on 4 years of high school only!
- Make sure you are clear - no acronyms
- *If a class, academy, or activity relates to your major - talk about it. *May list non academic courses and activities i.e. Art class at Community center, Teacher's Aide, volunteer, work experience, babysitting, dog sitter etc... *Do not need to make full sentences
- *If you played a sport or instrument: Give details of time spent

- **Letters of Recommendation:**

- If your college requests a letter of recommendation, please fill out a brag sheet and give your recommender 2 weeks to prepare your letter. As a part of the Common Application, the counselor (me) will need to write you a letter of recommendation. Please get them to me ASAP and ask for a Google Meet so that I can get to know you better.

Front Office News

Ms. Mariana Gaeta (mgaeta@mrpk.org)

- Parents/Guardians **MUST** call us at (805)378-6312 ext. 7293 to report tardies or absences within 48 hours, 72 hours on Fridays or holidays (even students that are 18 or over, while they are attending HS@MC they are still considered a K-12 student and must have parent/guardian report for them for attendance purposes). Per District policy emails cannot be used.
- ParentConnect pins and passwords can be provided upon request from our main office.
- Parents that would like to plan for vacations around our school calendar can visit our HS@MC website [here](#) OR request a 2020-2021 copy from our main office. Reminder: Moorpark College does not recognize recess days so students should expect to follow their class schedule for college classes as usual unless directed otherwise by their Professors. Students can review the Moorpark College calendar for more information by visiting the College website [here](#).
- The Moorpark Unified School District Technology Office is providing support to our MUSD families with a technology support hotline which can be reached at **(805) 517-2100**. Live support will be available from 7:00 AM to 7:00 PM Monday through Friday starting Monday August 24th. Please be aware this IT number is only for technical issues with our Chromebooks.
- Any issues with Moorpark College Canvas or ConferZoom must be directed to the Moorpark College Canvas Support team at (805) 553-4858 or mconlinestudentsupport@vccd.edu. Additional resources such as Canvas Tutorials, a live chat box(during business hours) and an after-hours phone line for Moorpark College students can be found on the [Student Online Support](#) page.
- Visitors will now be required to go through checkpoints at the College even if they are just picking up/dropping off. The closest checkpoint will be by the Child Development Center on Campus Dr, just past the turn they would normally take to get to HS@MC. They will need to have the VCCCD app downloaded on their smartphone and select "visitor" in order to take the pre-screen survey. They will need to leave their device on the "Clear to be on campus" screen at the end of the survey and show that to the attendant at the checkpoint in order to get an all clear health pass on the app as well as a colored wristband(color will vary by day).
- Alternatively, we can continue to communicate by mail, email and phone. Anything mailed should be addressed to HS@MC to ensure it is placed in our inbox at the College's mailroom.
