August 21, 2020

Good Evening,

Welcome to the end of the second week of the 2020-2021 school year. College courses are underway and next week is our Virtual Back-To-School-Night. The year is already in full swing! You have my continued thanks for your flexibility, excitement, and participation as our new school year moves into full swing.

It continues to be our intention to keep you updated via weekly news updates, school website postings and updates to our social media. In each of these updates I will provide the most recent information related to our COVID19 response. At this point, our academic plan is to remain in our distance learning protocol until we are given permission to move to a blended model by the State, County, and School District. There have not yet been any specific indications demonstrating a change in Ventura County and our model will remain until such an indication is given.

If you are trying to get ahold of us via phone, it is important to note that our school phone number has been updated. We can be reached at 805-378-6312. If we do not immediately answer, please leave a voicemail and we will return your call as soon as possible. Additionally, you can always reach us via email using the email addresses listed on the final page of this update

There are also a few events in the coming weeks including Back-To-School-Night. Our Back-To-School-Night is next Tuesday, August 25 from 6-8PM. We will have a brief introductory session on Google Meet at 6PM where administration, counseling and our Parent, Staff, Student Association will share brief information. This will be followed by a series of Google Meets following your student's daily schedule (The specific Google Meet links and times for each grade level and course will be sent on Monday). The first PSSA meeting of the year is tentatively scheduled for the following week on Thursday, September 3. I am incredibly excited for all of our upcoming events this year. Thank you again for your support for the High School at Moorpark College. Have a great weekend!

Sincerely,  
Christopher J. Fennell Ed.D.  
Principal - The High School at Moorpark College
