Welcome

Trina and Ashley opened with celebration of being to the end of the task force work. The full meeting was spent looking at the final recommendation components and ensuring the critical elements are included.

Final Meeting

Participants reviewed the draft of the 5 year plan for early learning in Ferndale School District. Independent time was spent going through the documents and then partnering and sharing out to large group.

Next Steps

Trina and Ashley will take the input from tonight's session to formulate the final recommendation. The final recommendation will be submitted to the Superintendent for consideration and share with the School Board at their May meeting.

Participants were thanked for their dedication, wisdom, expertise and energy that they brought to this work. It was noted how the work of this task force will have long lasting impact on the staff, students and families of Ferndale School District for years to come!
