

2022-2023 JCHS SUMMER SCHOOL REGISTRATION FORM

June 5th-June 22nd

8:30 am- Noon

Student: _____ Date of Registration: _____

Summer School Course: _____

CREDIT RECOVERY ONLY Final average in course 60-69

Summer School offers students the opportunity to **recover credit**. ONE course may be attempted. Summer school will take place on the high school campus in the Jasper County computer lab, Room 317. Transportation will *not* be provided.

For students who failed to receive credit in a course, the classroom teacher will submit a list of standards, units, or concepts not mastered during the school year. The teacher will then determine what percentage of the course is being completed during summer school so grade calculations can be completed.

All students are required to attend on campus for the first week of summer school (June 5-8) from 8:30 am- noon. On Thursday of the first week, the summer school teacher will determine which students may work from home if they wish to do so. Otherwise, **attendance is mandatory** for credit if students are not meeting the daily expectations of the teacher. Student progress will be closely monitored. The teacher will make regular parent contacts for the duration of summer school.

The lab will be open for summer school June 5-8th, June 12-15th, and June 20-22nd from 8:30 am- noon each day.

Credit recovery work is due no later than midnight, **Thursday, June 22nd**.

Registration form is due to the counseling office by May 26th.

Credit Recovery: Students may work towards earning credit for the following courses attempted during the 2022-2023 SY
