Early Admission to Kindergarten

Because my child will not turn five (5) years old before August 1, I am requesting early admission to kindergarten in the Warren County Public Schools, pursuant KRS 158.030.

I understand the following:

_____ Upon entry into the kindergarten program, my child will be screened using the Kentucky Kindergarten Readiness Screener, the Brigance. Those screening results will be used to plan my child's academic program, and they will be shared with me along with the kindergarten teacher's interpretation of what the screening data means in regard to my child's anticipated kindergarten success. I will be required to complete a social/emotional inventory as a part of this screening.

_____ My child will be provided the same rigorous kindergarten program and supports as all other students attending kindergarten in the Warren County Schools. This includes curriculum content and instruction, assessment, daily schedule and behavioral expectations.

_____ My child's progress and performance will be measured using the Kentucky Core Academic Standards as a guide, with attention to those standards specific to kindergarten.

_____ My child will be not be promoted and/or retained as a part of his/her public school experience because of his chronological age/birthdate.

_____ I may rescind my request for early entry to kindergarten and withdraw my child from kindergarten by providing the school principal with this written request.

_____ I understand that there is a 4-week probationary period upon entry to the kindergarten program. My child will need to demonstrate above-average performance and development in academic skills as well as approaches to learning, health and physical well-being, language and communication development, social and emotional development, and cognitive and general knowledge. During this time, my child's status to remain in kindergarten will be evaluated based on academic performance, social and emotional development, health and physical well being and self-help skills.
