### II. RECITALS

A. The District desires to obtain food and supplies for its Nutrition Services Department ("Services/Supplies"). B. The Parties acknowledge that: (i) the Services may be undertaken at a time when a public health emergency still exists with respect to the virus that causes COVID-19, and, as of the Effective Date, it is uncertain when this public health emergency will end; (ii) federal, state, and/or local governmental public health and other officials ("Public Officials") have issued mandatory guidance and orders establishing safety and other requirements relating to COVID-19 ("COVID-19 Orders") that may be applicable to the Services; and (iv) the possibility exists that, during the term of this Agreement, Public Officials may modify and/or issue additional COVID-19 Orders applicable to the Services. C. The Bidder acknowledges and agrees that: (i) in connection with the Bidder providing the Services and as set forth in this Agreement, the Bidder shall be responsible, at no additional cost to the District, for compliance with any and all COVID-19 Orders applicable to the Services, regardless of whether those are in effect as of the Effective Date or take effect thereafter; and (ii) in the event the District's schools or any nonpublic schools serving District students are closed or otherwise not providing student-based services and/or programs on a normal basis due to the COVID-19 emergency or for any other reason ("School Closure"), nothing in this Agreement shall be deemed or construed to constitute a commitment by the District to pay the Bidder for services not rendered in accordance with this Agreement during the period the School Closure is in effect ("School Closure Period").

In the event of a termination pursuant to this Subsection 1, the District shall pay to the Bidder all undisputed amounts attributable to Services/Supplies satisfactorily provided prior to the effective date of the termination, and the Parties thereafter shall be released from all further obligations and liabilities under this Agreement, except to the extent that any such obligations or liabilities expressly, implicitly, or impliedly survive the termination of this agreement.

2) District Termination for Cause.

The District may terminate this Agreement for cause by giving 30-days written notice of intent to terminate this Agreement to the Bidder. Any and each such notice of intent to terminate shall specify in reasonable detail the material breach by the Bidder of its obligations pursuant to this Agreement and/or other failure, error, omission, or other defect in the performance of the Services/Supplies (each a "Default") that form the basis or bases for the termination. In such event, the Bidder shall have: (i) 24 hours from receipt of the notice to cure any and all Defaults; and (ii) twenty calendar days from receipt of the notice to cure (or to make arrangements satisfactory to the District in its reasonable discretion for cure of) any other Defaults by the Bidder. If the District fails to cure (or fails to make arrangements satisfactory to the Bidder for cure of) any Default within the applicable period specified in this Subsection 3, the Bidder may terminate this Agreement by providing written notice of termination to the District, in which event the termination shall be effective immediately upon receipt by the District of the notice of termination or on such later date as may be specified in the notice of termination.

4) Remedies Not Limited.

In the event of a termination pursuant to either Subsection 2 or Subsection 3 of this Section H, neither Party's remedies shall be limited, and either Party may pursue such rights and remedies as may be available pursuant to this Agreement and applicable law.

I. Availability of Funds

Each and every obligation of the District pursuant to this Agreement to pay the Bidder is conditioned on the availability of funds appropriated or allocated for the payment of such obligation. The District, in accordance with Section H herein, may terminate this Agreement at the end of any period for which funds were available if funds are not allocated and available for the subsequent continuance of this Agreement. In the event the District so terminates this Agreement, no liability shall accrue to the District as a result of such termination, and the District shall not be obligated or liable for any future payments or for any damages resulting from the termination.

J. Amendment and Modifications

Neither this Agreement nor any written amendment, supplement, or other modification to this Agreement (each a "Modification") shall have any force or effect whatsoever unless and until approved by the Governing Board, either directly or through delegation and ratification, and executed and delivered by both Parties. No oral understanding or agreement of the Parties relating to the subject matter of this Agreement shall be valid or binding for any purpose whatsoever unless and until set forth in a written and duly approved Modification

**K. Assignment**

In no event may the Bidder assign this Agreement or any of its rights pursuant to this Agreement, or delegate any of its obligations pursuant to this Agreement, absent the express written consent of the District, which consent the District may grant, withhold, or condition in its sole and absolute discretion. Subject to the foregoing, this Agreement shall bind and inure to the benefit of the Parties' respective successors and assigns.

**L. Waiver of Subrogation**

The Bidder hereby waives, for the benefit of the District and each of the District Representatives, and on behalf of its insurers, any and all rights of and to subrogation that any of those insurers may acquire or otherwise have as the result of the payment of any loss under such insurance in connection with this Agreement and/or the Services/Supplies. The Bidder shall obtain and provide to the District any and all endorsements or other documentation that may be necessary to effect such waivers of subrogation, but the waivers shall be valid and binding regardless of whether the District actually receives any such documentation.

**M. No Third Party Beneficiaries**

The District and Bidder are the only parties to this Agreement and are the only parties entitled to enforce its terms. Except as provided by applicable law, nothing in this Agreement shall be deemed or construed to provide any benefit or right, directly or indirectly, to any third party.

**N. Firearms and other Weapons Prohibited**

All District properties are weapons and firearms-free zones. The Bidder, its subcontractors, and their respective employees, agents, and representatives are each hereby prohibited from possessing on their persons or in their vehicles, any firearms or other weapons while on or at any District property.

**O. Severability**

Should a court of competent jurisdiction hold or otherwise determine that any provision of this Agreement is illegal, unenforceable, and/or void, then: (i) each Party shall be relieved of any obligations arising from such provision; and (ii) if the performance of the remaining provisions of this Agreement reasonably would result in both Parties receiving substantially the benefits intended by this Agreement, such remaining provisions shall remain and continue in full force and effect, but shall to the extent possible be interpreted and implemented to effect the intent of the Parties in agreeing to the illegal, unenforceable, and/or void provision. If both Parties would not receive substantially the benefits intended by this Agreement, this Agreement shall terminate on the date the holding or other determination by the court becomes final and no longer subject to appeal.

**P. Counterparts**

This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together will constitute one and the same instrument.

**Q. Silence/Absence/Omission**

Any silence, absence, or omission from the Agreement specifications concerning any point shall mean that only the best commercial practices are to prevail. Only those materials (e.g., food, supplies, etc.) and workmanship of a quality that would normally be specified by the District are to be used.

**R. Indemnification**

The Bidder shall indemnify and hold harmless the District, the District Representatives, and each of them, with respect to any and all liens, judgments, damages, losses, costs, expenses (including, without limitation, attorneys' fees and other legal costs), and other liabilities of whatever nature (each a "Liability" and, collectively, the "Liabilities") that arise from breach by the Bidder of its obligations pursuant to this Agreement and/or acts or omissions (regardless of whether constituting negligence or willful misconduct) of the Bidder, any of its subcontractors, or any Bidder or subcontractor employee, agent or other representative in connection with this

Agreement, including, without limitation, Liabilities that arise from death of or injury to any person, damage to any property, and any disputes between or involving the Bidder and any of its subcontractors or other third parties. With respect to each and all claims, demands, actions, and other proceedings initiated in connection with each and any Liability or Liabilities, the Bidder shall defend the District and the District Representatives, and each of them, using legal counsel reasonably acceptable to the District, but selected and retained by the Bidder at its sole cost and expense. In connection with each such defense, the Bidder shall: (i) timely pay or otherwise satisfy any and each judgment that may be rendered against the District and/or any of the District Representatives; (ii) within thirty days of receiving an invoice from the District, in each case pay all legal and/or other costs reasonably incurred by the District, including, without limitation, the costs associated with the District's legal counsel advising in regard to, monitoring and, as necessary, participating in the defense. With respect to any particular Liability, and notwithstanding the foregoing provisions of this Section R, the Bidder shall not be obligated to indemnify and hold-harmless the District or any of the District Representatives to the extent, but only to the extent, the Liability is attributable to the sole negligence, active negligence, or willful misconduct of the District or any of the District Representatives, in which case the Parties shall be responsible and liable on a comparative basis.

S. **Force Majeure**

For purposes of this Agreement, a "Force Majeure Event" is any situation or event that develops or occurs after the Effective Date and that reasonably: (i) is beyond the control of a Party; and (ii) precludes the Party from performing one or more of its obligations pursuant to this Agreement. Without limiting the foregoing, Force Majeure Events may include, but are not limited to: (i) a public health emergency declared by governmental officials; (ii) a fire, explosion, power failure, or strike or labor dispute, not in whole or in part caused by or attributable to any act or omission by the Party; (iii) wildfire, earthquake, flood, or similar acts of God; (iv) war, civil disturbance, acts of civil or military authorities or public enemy; and (v) local, state or federal government acts or orders that result in stoppage of work or services, or the freezing, re-allocation, reduction, or elimination of funding.

For avoidance of doubt, all mandatory guidance, orders and recommendations of federal, state, and local governmental public health and other officials ("Public Officials") relating to and/or establishing safety and other requirements relating to, the virus that causes COVID-19 (collectively, "COVID-19 Orders") that were or are in effect prior to or as of the Effective Date shall in no event be deemed or construed as the basis for, or to constitute, any Force Majeure Event. However, if and to the extent Public Officials modify and/or issue additional COVID-19 Orders that are applicable to this Agreement and/or the Services, and subject to satisfaction of all other requirements of this Section S, a Party shall not be precluded from asserting that those subsequent COVID-19 Orders constitute a Force Majeure Event. Also for avoidance of doubt, a general economic downturn or other adverse "business climate" shall in no event be deemed or construed to constitute a Force Majeure Event.

Notwithstanding anything to the contrary: (i) a Party shall not be deemed to be in breach of this Agreement if, as a direct result of a Force Majeure Event, the Party is precluded from performing, or from timely performing, any one or more of its obligations pursuant to the Agreement; and (ii) no such delay or failure shall constitute an event of default attributable to such Party. In each case that a Party cannot fully and/or timely perform as a result of a Force Majeure Event, the Party must give written notice to the other Party: (i) immediately if the failure or delay in performance relates to the actual transportation of District students; or (ii) within five calendar days of becoming aware of, or other discovery of, the Force Majeure Event, if the failure or delay in performance relates to any obligation pursuant to the Agreement other than the actual transportation of District students. Each such notice shall specify in reasonable detail the cause and existence of the applicable Force Majeure Event and its impact on the performance by the non-performing Party.

Nothing in this Section S or elsewhere in this Agreement shall be deemed or construed to preclude the District from terminating this Agreement for the District's convenience, in accordance with Section H herein.

T. **Nondiscrimination**

Both the District and Bidder agree that no child who participates in the National School Lunch Program (NSLP), Special Milk Program (SMP), School Breakfast Program (SBP), Summer Food Service Program (SFSP), or

V. **Applicable Law and Venue**

This Agreement shall be construed and interpreted in accordance with the laws of the State of California, regardless of any conflict-of-laws, choice-of-law, or other provisions of any federal, state or other law. Any and each action or other proceeding arising from this Agreement and/or the Services shall be initiated and conducted only in an appropriate court located in the County of Los Angeles, California.

W. **Interpretation of Agreement**

Each Party acknowledges that, in executing this Agreement, such Party: (i) has sought, or has had the unqualified opportunity to seek, the advice of its own independent legal counsel; and (ii) has read and understands all of the terms and provisions set forth in this Agreement. Therefore, the provisions of this Agreement shall be construed based on their fair and reasonable meaning, and not for or against any Party based on whether such Party or its legal counsel was primarily responsible for drafting this Agreement or any particular provision herein. The Recitals set forth in Part II of this Agreement are hereby incorporated as operative and effective provisions of this Agreement. The headings and captions set forth in this Agreement are for the convenience of the reader only and shall not be deemed or construed to establish, define, or limit the meaning of any provision herein.

X. **Provisions Required by Law**

Each and every provision required by law to be inserted into this Agreement shall be deemed to have been inserted into this Agreement, and this Agreement shall be read and enforced as though it were included. However, if through mistake or otherwise, any such provision is not inserted or is not inserted correctly, then upon request of either Party, the Parties shall reasonably cooperate with respect to amending or otherwise modifying this Agreement to make such insertion or correction.

Y. **Disputes**

**Attorneys' Fees.** In connection with any and each dispute that arises from Agreement and/or the Services/Supplies, each Party shall be responsible for paying its own attorney's fees and other related costs and expenses. The provisions of this section shall survive the completion of the Services/Supplies and/or the expiration or earlier termination of this Agreement.

Z. **Waiver**

No action or failure to act by the District shall constitute a waiver of a right or duty afforded them under this Agreement, nor shall such action or failure to act constitute approval of, or acquiescence in, a breach there under, except as may be specifically agreed in writing.

AA. **Notification of Material Change**

Bidder is required to notify District when any material change in operations occurs, including changes in distribution rights for awarded products, bankruptcy, material changes in financial condition, change of ownership, within three (3) business days of such change.

District is not responsible for any product Bidder has on hand at the end of the period.

**III. RELATIONSHIP OF THE PARTIES**

The Bidder's relationship with the District will be that of an independent contractor and not that of an employee or supervisor of the District. The Bidder will not be eligible for any employee benefits, nor will the District make deductions from payments made to the Bidder for taxes, all of which will be the Bidder's responsibility. The Bidder agrees to indemnify and hold the District harmless from any liability for, or assessment of, any such taxes imposed on the District by relevant taxing authorities. The Bidder will have no authority to enter into contracts that bind the District or create obligations on the part of the District (*EC* Section 45103.5).

**IV. BOOKS AND RECORDS**
