STEP 3: CHANGE YOUR PASSWORD

SCHOOL YEAR 2023-24

STEP 1: CHANGE YOUR PASSWORD

Sign in to Chrome and go to:

<https://myaccount.google.com/signinoptions/password>

Alternatively, click **FGS Bookmarks** (on the bookmark bar) and select **Change your FGS Password**. You may be asked to log in again with your FGS Credentials.

When you see the screen at right, (either a Google screen or a Microsoft screen — either is OK), enter your new password.

CHOOSING A PASSWORD

Choose a strong password with at least **12** characters, capital letters, lowercase letters, numbers and symbols. Do not choose a password that is easy to guess.

Keep track of this password. You will need it to access all FGS network resources.

After changing your password, you will need to re-sign in to Chrome with your new password.
