### READING TIPS FOR YOU AND YOUR CHILD:

- Be a Role Model - Read the same book your child is reading and discuss it.
- Make a Reading Routine - Set aside a specific time each day to dedicate to reading. By making it a priority, you relay the message that reading is important.
- Take your children to the library regularly or checkout eBooks & audiobooks online.
- Have Family Reading Time -- keep lots of reading material around the house. Turn off the TV, and have each person read his/her book, including mom and dad.
- Get books on tape, especially for a child with special needs. Listen to them in the car, or turn off the TV and have the family listen together.
- Create a Fun Reading Space - Set up a tent or create a reading fort. Add comfy pillows, bean bags and blankets along with a basket of books to make a fun, relaxing spot for reading.
