

Central Medford High School Parent Involvement Plan

The Central Medford High School Parent Involvement Plan has been developed to involve all parents and guardians in their students' education.

Distribution Information:

- Parents can access updated school information and student academic information at the school's website, PAL and Moodle.
- The Parent Involvement Plan will be posted in the school office area and school website. In addition, a copy of this plan will be distributed annually to parents at registration.
- Information related to school and parent programs, meetings and other activities will be communicated in both English and Spanish to parents through Peachjar, email and a quarterly newsletter.
- The Staff-Student-Parent Agreement outlines how teachers, students, parents and the principal will share the responsibility for improving student achievement.
- The school will provide parents with student progress toward graduation through Fall and Winter conferences and transcripts sent home periodically throughout the year.

Parent Participation:

- Parents will receive materials and have opportunities to participate in school-family evening activities planned throughout the year.
- Parents will have opportunities to participate in school decision-making regarding the education of their children through conferences and guidance nights and are encouraged in all correspondence to give feedback to the principal.
- Parents will be encouraged to work jointly with the school to develop a Staff-Student-Parent Agreement.
- The school will provide Fall and Winter conferences so families can be notified of student progress, make decisions regarding the education of their children, ask questions about the district's curriculum and formulate suggestions.
- Within established parameters, parents are encouraged to observe instruction and other school activities that involve their children.
- Parents are encouraged to volunteer and help at school or on field trips as VIMs.

Meetings:

- Parents will be informed at registration and at the first guidance night of the school's participation in the Title 1 program, the requirements of the program, and their rights to be involved.
- Parent meetings and guidance nights will be held at various times to accommodate the needs of families.

CMHS Mission Statement

CMHS is a dynamic learning community, dedicated to fostering academic, personal and social development of students through flexible, innovative and holistic approaches to education. Our mission is to develop and support the success of students who value diversity, acceptance and respect for others, while becoming self-sustaining adults who are contributing members of their community.
