

## ➤➤ **MAKING COLLEGE MORE AFFORDABLE**

### **START AT COMMUNITY COLLEGE:**

- \*lower cost per credit
- \*may qualify for Oregon Promise Grant to cover most of tuition
- \*most classes transfer to college or university

### **CONSIDER THE DEGREE PARTNERSHIP PROGRAMS:**

Many of our big universities partner with the local community colleges to offer a "dual enrollment" plan. Students can still live in university dorms, but classes can be taken at the CC, the university, or a combination. The financial aid piece can be tricky, so ask us for more information based on your specific circumstances.

Have the big college experience, but save on the tuition costs!

### **TUITION FREE OPTIONS:**

- \*3.4GPA or above
  - \*Pell Eligible as determined by FAFSA
- These universities offer full tuition assistance for meeting the above requirements:
- University of Oregon  
Portland State University  
Western Oregon University

### **SEEK ALL SCHOLARSHIP OPPORTUNITIES:**

The best source of scholarship money comes from the colleges as merit aid. Make sure you know what is offered at your chosen school.
