Second Grade SUPPLY LIST

2023-2024

In an effort to provide cost-effective options for our families, this year, the Second-grade team will be collecting a \$40 yearly supply donation instead of asking for specific school supplies for each student.

The supply donation allows for each individual teacher to purchase the supplies that are necessary for their distinct classrooms and helps to maintain an equitable distribution of supplies. We hope it also relieves some of the beginning of the year burden for parents! Supply donations help cover the cost of any educational or art supplies in the classroom. This is a donation, and no child will be penalized if they are unable to pay. If you would like to donate a supply scholarship (in any amount) for a child who may not be able to pay, please speak with your child's teacher.

Required items that will be expected to be brought the first day of school.	
Backpack (no wheels, please)	Lunchbox, if your child plans to bring a lunch from home
Headphones (no earbuds, please)	Plastic reusable water bottle

Additional items that may be purchased and brought in for use in your child's classroom as well as in specials (Art, PE, Music and STEM).	
Tissues	Clorox Wipes
Baby Wipes	Paper Towels

You may pay the supply donation online or bring your supply donation (and any additional items) to Meet & Greet.

Online payment information will be available mid-July.
