

RE: Policy for school delays and cancellations

We have instituted this special policy for contracted vans/buses to insure the safety of our students. The weather conditions in the outlying districts may be more severe than in Fox Chapel. The school districts of Gateway, Pine-Richland, and Mt. Lebanon will have more knowledge as to the road conditions in their areas.

1. If Shady Side Academy **has a two-hour delay** all vans and buses will have a two-hour delay.
2. If the School District assigned to your van/bus **has a two-hour delay** all vans and buses will have a two- hour delay.
3. If the School District assigned to your van/bus **cancel school**, all vans and buses will be canceled for the MORNING ONLY. All vans and buses will be normal for the afternoon.
4. N H / Wexford bus follows the **Pine-Richland School District**
5. Monroeville/Murrysville bus follows the **Gateway School District**
6. South Hills van follows the **Mt. Lebanon School District**
7. Treesdale bus follows the **Pine-Richland School District**
8. Sewickley van follows **Quaker Valley**

North Hills, Pine-Richland and Shaler only honor 2-hour delays if they have one.
