

HOLTON-ARMS SCHOOL

Magnus Health: Step-by-Step Instructions

Health forms are due August 1 Annually

All student medical paperwork is managed in Holton's [Magnus Health Portal](#). Magnus is a web-based system that provides continuous access to your child's health record and the ability to make updates when needed.

Your Magnus Health username is `firstname.lastname` and your unique password (same login used for the school Enrollment & Parent portal), please use [this link](#) if you need to reset your password. In some instances if your family has other accounts with Magnus Health, the system has generated a new username for your Holton account. If you are still having difficulty, contact Holton via email at help@holton-arms.edu.

To complete health forms school year, log into the [Magnus Health Portal](#). The first time you log in, you will be asked to agree to Magnus' policies. You then have the opportunity to watch a short tutorial (or skip this step). The main page of the site is the **"Front Desk"** where you will see your Holton student's name(s).

- Click on the orange "Complete now" button for each child to access their requirements list:
