Sharing
our
Vision

THE MISSION OF CATHOLIC HIGH SCHOOL IS TO TEACH GOSPEL VALUES
IN AN ENVIRONMENT OF ACADEMIC EXCELLENCE
ACCORDING TO CATHOLIC TRADITION AND THE SPIRIT OF
THE BROTHERS OF THE SACRED HEART.

AMETUR COR JESU

Loved be the heart of Jesus

CATHOLIC HIGH SCHOOL

OUR PHILOSOPHY

The educational tradition of the Brothers of the Sacred Heart is focused on a **holistic approach to education**, rooted in religious values, structured through friendly discipline, nurtured by personal attention, and committed to academic excellence.

We address the religious, academic, social, psychological, physical and cultural development of the young people in our school, and believe that a young person learns from his total experience of the school setting.

The most important aspect of any Catholic education is the development of **religious values** and the transmission of Catholic heritage. Faith permeates our school environment. From campus ministry programs to religious activities to symbols in the school facilities, Christian values are at the heart of our community.

We emphasize **friendly discipline** which admonishes and corrects and, at the same time, teaches and encourages. We advocate for discipline that is respectful of the dignity of the individual, is consistent, and is fair.

We provide **personal attention** by being actively present and attentive to students and responding with appropriate compassion and encouragement as they go through adolescence.

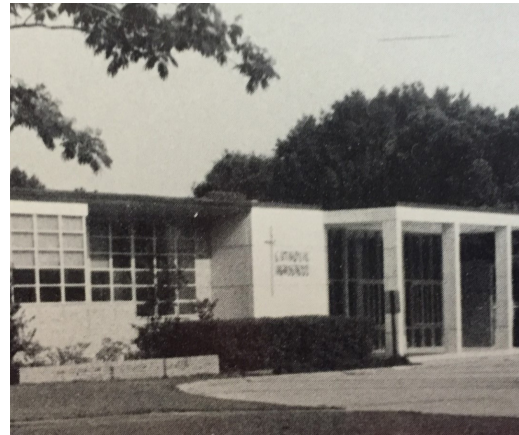

We view **academic excellence** as the development of each student to the maximum of his potential. We establish a demanding curriculum, provide captivating lessons and adapt methodologies to meet the changing needs of our students and our world. We are committed to helping our students become the whole and complete persons that God has created them to be.

OUR HISTORY

For 127 years, Catholic High School (CHS) has set the standard for excellence in education in the Baton Rouge area. Founded in 1894 by the Brothers of the Sacred Heart, CHS is an all-male college preparatory school for grades 8-12, dedicated to providing opportunities for the development of the spiritual, moral, intellectual, social, and physical growth of each student.

Catholic High School's holistic approach to education builds a community spirit that is characterized by Christian values, an orderly and disciplined atmosphere, a personal approach to education and a commitment to academic excellence.

RELIGIOUS VALUES

Catholic High School's overall program of faith formation is designed to form young men to live their lives for others in the spirit of the Gospel.

THE CHS FAITH FORMATION PROGRAM INCLUDES:

Daily Religious Education and Classroom Prayer

Because of the essential role of prayer in the formation of a personal relationship with God, students participate in varied and regular experiences of prayer through daily school-wide prayer, classroom prayer, and retreats.

Eucharistic Liturgies and the Sacrament of Reconciliation

Eucharistic liturgies are held monthly on the CHS campus. Involvement of many school groups in planning liturgies helps make the celebrations more meaningful to students. Students are strongly encouraged to participate in the Sacrament of Reconciliation, which is offered at school each semester. Active involvement at the parish level is recommended as an excellent introduction to the greater Church.

Student Ministry Team

The Student Ministry Team is composed of juniors and seniors who serve as mentors to the 8th and 9th graders. Once a month, student ministers meet with 8th and 9th graders in their religion classes to discuss life issues relevant to high school students in a Catholic school.

Yearly Class Retreats

Each October, seniors participate in an overnight retreat which provides them the opportunity to grow closer to God and to one another. Students in grades 8, 9, 10, and 11 participate in a full day retreat, with special attention given to the needs of each age group.

Service

Serving others is an essential part of our call to follow Jesus Christ. Thus, the CHS service program is an integral part of religion courses within each student's curriculum. Students are required to perform a designated number and type of service hours each year.

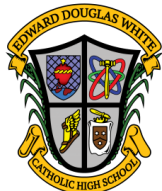

School-Wide Projects/Extracurricular Service

Catholic High participates in several school-wide projects designed to help the poor. In connection with Catholic High's extracurricular program, students are involved in community activities such as blood drives, toy drives, food collection and Operation Rice Bowl, Habitat for Humanity, and Mission Amatonagas.

Honor Code

The Honor Code and the Honor Board at Catholic High School were created and installed in 1997 as a result of a student initiative. All members of the Board are elected by students. The Honor Code is a commitment from each student to uphold the ideals of Catholic High School and the Brothers of the Sacred Heart.

A BROTHERS OF THE SACRED HEART SCHOOL SINCE 1894

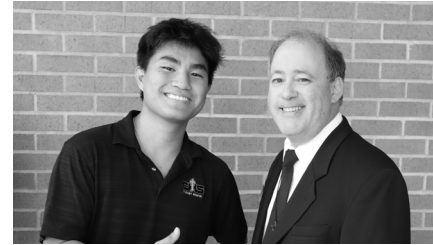

Father André Coindre, filled with compassion for the suffering young people of his time, established a religious institute in 1821 to serve their needs and provide for their well-being. A group of men, initially 10 in number, took vows in the Institute of the Brothers of the Sacred Hearts of Jesus and Mary, and dedicated their community to these young people. Today, Coindre's charism thrives in the eleven Brothers of the Sacred Heart schools in the Province of the United States.

Though separated geographically and culturally and serving locales with different needs and challenges, these schools share a common vision of education: the evangelization of young people. As genuine partners in mission, the Brothers and lay men and women who work in these schools strive to embody Coindre's charism in various educational settings while recognizing that local circumstances demand creative adaptation, not mere imitation.

2021 was a special year for the Brothers of the Sacred Heart and all of the partners in mission as we celebrated the 200th anniversary of the founding of the Brothers in Lyon, France. The bicentennial celebration at Catholic High honored Fr. André Coindre's wisdom, sacrifice, compassion, and vision in his founding of the Brothers of the Sacred Heart and paid tribute to the Brothers who have responded to the call to carry out his mission over the past two centuries. Catholic High School strives to be a sanctuary for the young men on our campus, dedicated to teaching gospel values in an environment of academic excellence according to the Catholic tradition and the spirit of the Brothers of the Sacred Heart.

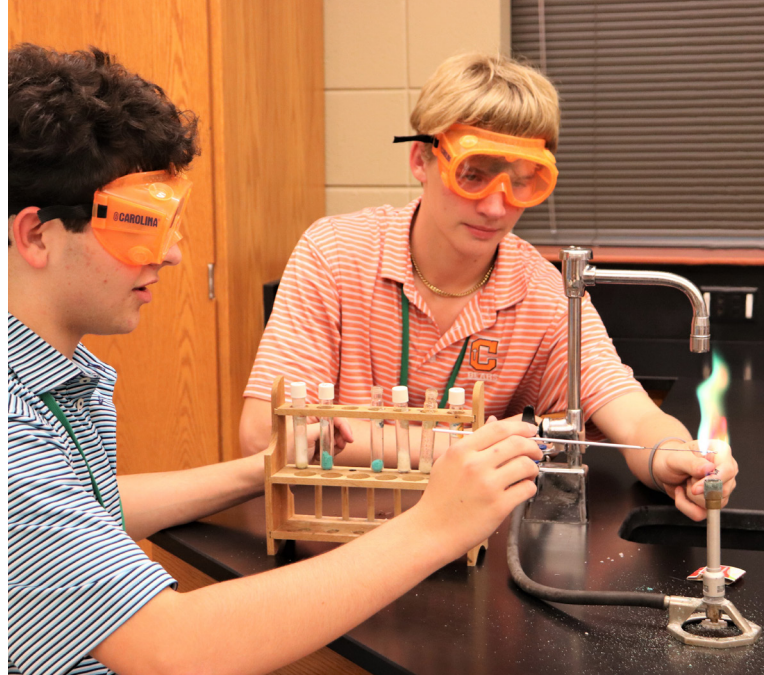

BROTHERS

OF THE SACRED HEART

ACADEMIC EXCELL

Through its philosophy, admission policies, curriculum and facilities, Catholic High School strives to create an atmosphere for learning and growth. Such an atmosphere provides each student an opportunity to realize his potential and to develop healthy attitudes and responsible behavior that will permit him to pursue continued studies and to assume his place in society as a concerned Christian gentleman.

Catholic High School conducts an eighth grade program and a four-year high school program. Students must complete four years of high school studies in order to graduate.

At CHS, technology is utilized as a tool to enhance instruction. Since proficiency with various technologies is, and will continue to be, an essential college and workplace skill, we provide each student with a pen and touch-enabled laptop computer so he can build an effective skill base.

“ Our sixth Blue Ribbon Recognition demonstrated the consistent pursuit of excellence by the Catholic High students, faculty and staff to never rest on our past accomplishments, but to always strive to adapt our educational program to meet the changing needs of our students and the different circumstances in our world. It is important to recognize and celebrate that our students continue to achieve and succeed academically at Catholic High School.

-- Mrs. Lisa Harvey, Principal

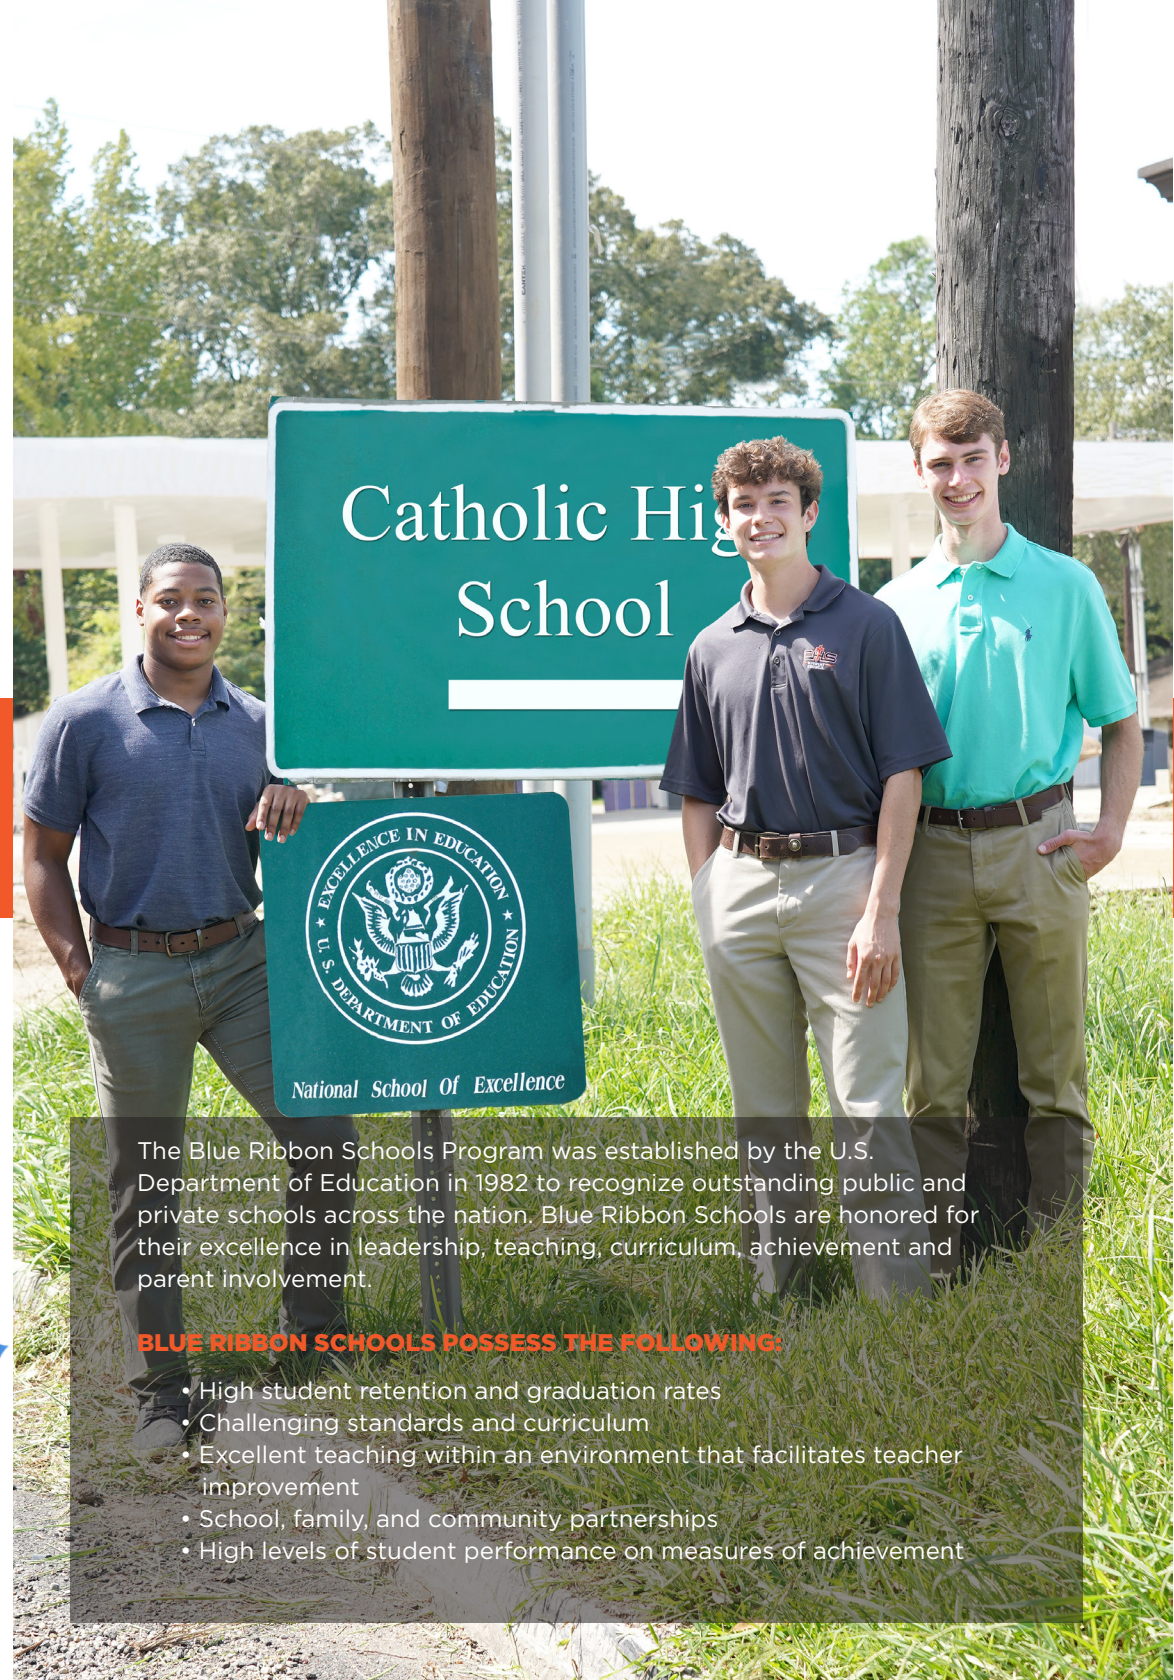

LENCE

Catholic High School is the only school in the nation that has been recognized six times by the U.S. Department of Education as a National Blue Ribbon School of Excellence.

1989 | 1993 | 1998 | 2003 | 2014 | 2020

The Blue Ribbon Schools Program was established by the U.S. Department of Education in 1982 to recognize outstanding public and private schools across the nation. Blue Ribbon Schools are honored for their excellence in leadership, teaching, curriculum, achievement and parent involvement.

BLUE RIBBON SCHOOLS POSSESS THE FOLLOWING:

- High student retention and graduation rates
- Challenging standards and curriculum
- Excellent teaching within an environment that facilitates teacher improvement
- School, family, and community partnerships
- High levels of student performance on measures of achievement

FOSTERING PERSONAL ATTENTION

COUNSELING CENTER

The Counseling Center is comprised of seven grade-level counselors, plus two college counselors dedicated to assisting our students through every step of the college planning process. Each student meets with their grade-level counselor on an individual basis, in addition to group/classroom meetings. Individual meetings are designed to guide the student academically, socially, personally, and vocationally, as well as evaluate his progress in school. Counselors are available if a student encounters difficulty in the classroom or at home, offering a caring and compassionate environment that allows students to feel known, valued, and treasured. Counselors work in partnership with the parents to ensure that their son is being cared for at a level that allows him to mature, make decisions, and grow into the young man that God has called him to be.

STUDENT MENTORING PROGRAM

In the 2020-2021 school year, CHS initiated the Student Mentoring Program in order to add one more dimension of personal attention at Catholic High School. In this mentoring program, each student is assigned a faculty member who serves as that student's mentor throughout his time at CHS. Mentors meet monthly with their group of students as well as individually during the school year. Designed to be one additional support service at CHS, we believe this mentoring program increases opportunities for students to have a significant adult in their lives beyond their teachers, coaches, club moderators, and counselors. The mentoring program is not a replacement for our Counseling Center or academic support initiatives, but is meant to give every student one more adult on campus who can address their needs and serve as an advocate for that student.

- Each student is issued a Lenovo tablet through the 1:1 laptop program
- College-preparatory curriculum required for all students
- Honors and AP courses offered in English, mathematics, science, social studies, foreign languages and engineering
- English and religion dual enrollment
- AP courses taught at St. Joseph's Academy that are offered to CHS students include art history and human geography
- Shared elective classes between CHS and St. Joseph's Academy
- STREAM at CHS (science, technology, religion, engineering, arts and mathematics) electives throughout grades 9-12

THE STANDARD IS **EXCELLENCE**

STANDARDIZED TEST PREP

Catholic High School includes a standardized test preparation program as part of its basic curriculum for all students. Prior to standardized testing, students attend a total of five sessions each semester taught by CHS teachers. Designed to provide students with the skills and strategies necessary to maximize their results, these test prep sessions are in addition to our standard college preparatory curriculum.

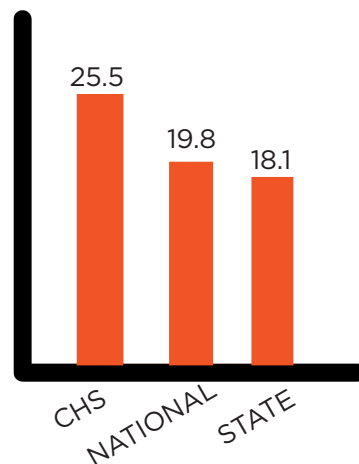

Every student at CHS receives 35+ hours of Standardized Test Prep at no additional cost to his family. Test prep is customized for each student based on the results from his previous tests.

As a result of this preparation and our rigorous college preparatory curriculum, CHS Standardized Scores are consistently above state and national averages. Our students have been accepted at over 150 colleges and universities and the class of 2022 earned 23 million dollars in merit based scholarships.

WHERE A BEAR FIND

CHS offers a wide variety of extra-curricular activities as another component of our holistic formation of students. Such a variety of offerings gives students ample opportunity to discover and experience their own unique gifts and talents, while allowing students to engage in activities with their peers and our faculty. Quality extracurricular programs develop students' pride in their school and in themselves, increase their receptivity to formation, and promote their success in all aspects of school life.

DS HIS HOME

“ *We believe that our schools should have a wide variety of quality extracurricular activities as a way of enhancing our holistic approach to education. The purpose of such variety is to give ample opportunity to students to develop their skills and to make the school a stimulating and inviting place. Quality extracurricular programs develop students' pride in their school and in themselves, increase their receptivity to formation, and promote their success in all aspects of school life.*

PARTNERSHIP WITH PARENTS AND ALUMNI

PARENTS

Catholic High School considers faculty, staff and administration as partners with parents in the formation of young men. CHS offers many opportunities for parents to become involved in activities with their sons and to serve and support of the school.

Traditionally, the CHS Mothers' Club and the CHS Men's Club have provided outstanding support for the students, the faculty, and the school. Membership in the Men's Club is open to fathers, alumni and friends of Catholic High. Membership in the Mothers' Club is open to mothers of students currently enrolled in CHS.

The Parent Leadership Committee is made up of parents of students from each grade level. Parents are invited to pray with us, serve with us, and provide feedback on the advancement efforts of Catholic High School.

As a support to parents, Catholic High holds a drug use and awareness meeting that is mandatory for all new parents to the school. The focus of the program is to educate parents in ways to help their children deal with dangers present in the culture in which we live, especially related to teenage substance abuse and other risk factors in society that students may face.

CHS also offers other opportunities for parents to become involved, such as Back-to-School Afternoon, school masses, and parent-teacher collaboration events.

ALUMNI

The CHS Alumni Association and the Office of Alumni Relations continue to foster the relationship between Catholic High School and the more than 10,000 men who graduated from our school. To keep the relationship strong, the Alumni Association provides opportunities for alumni and friends to reunite, to support and celebrate CHS, and to help the greater Baton Rouge community. The Alumni Association and the Office of Alumni Relations host the following events, among others, for alumni and friends to enjoy:

- Golf Classic
- Monthly service at St. Vincent de Paul
- Taste Fair and Auction
- Alumni Homecoming Tailgate
- Grizzly Greats Athletic Hall of Fame Induction
- 50 Year Reunion and Class Reunions
- Fishing Rodeo

CELEBRATING THE PAST EMBRACING THE FUTURE

Father André Coindre's charism and the rich tradition of the Brothers of the Sacred Heart are a precious gift for Catholic High School, the Baton Rouge community, thousands of alumni and future generations of students. The dedicated brothers and lay colleagues who work as partners in the mission of CHS are committed to continuing that gift through dynamic adaptation to changing times and needs.

Fr. André Coindre, a young parish priest in Lyon, France, founds the Brothers of the Sacred Heart to give hope to young people and eventually lead them to faith.

A new school building, gym and Brothers' residence were opened January 1929 on North Street at Fourth Street.

At that time, the school became known as Catholic High School.

The "C" Club is established and later reorganized into the CHS Men's Club.

The Fine Arts/Computer Center opened in 1985 as a major addition to the school plant. The facility consists of a computer classroom and lab, chorus and band rooms, ensemble rooms, art room, drafting room and additional classrooms.

Catholic High School celebrates its 100 year anniversary with the dedication of the Centennial Courtyard and the installation of the sculpture "Dialogue of the Heart"

Catholic High School opened the doors to its new Grizzly Greats Strength and Conditioning Center.

STREAM curriculum is implemented at CHS, providing students an interdisciplinary approach to learning and problem solving.

Founded in 1894 as St. Vincent's Academy in honor of the St. Vincent dePaul Society.

Enrollment is 106 students.

Catholic High School relocates from downtown Baton Rouge to its Hearthstone Drive Campus.

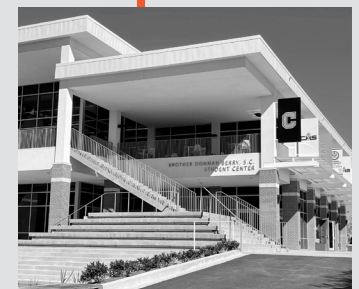

The CHS Mothers' Club is established.

Catholic High School receives its first National Blue Ribbon of Excellence from the U.S. Department of Education.

Catholic High School dedicated the new Science Center. Named for a legendary Brother of the Sacred Heart, Brother Gordian Udinsky, the center is a 10-classroom structure that provides state-of-the-art facilities and equipment for use in instruction of the sciences.

Catholic High School opens the Brother Donnan Berry, S.C. Student Center in October of 2020. This 32,000-square-foot facility created a dynamic learning environment where students dine, socialize, and interact with faculty.

INVEST IN **YOUR FUTURE**

IN KEEPING WITH THE EDUCATIONAL TRADITION of the Brothers of the Sacred Heart, no student is refused admission or asked to leave Catholic High School solely because of his family's inability to pay tuition.

ADMISSION CRITERIA

Written guidelines, established after a broad consultation process, are used in the admission procedure:

- Catholic students who have been in Catholic schools are given priority in admission.
- No student is refused solely because of inability to pay the tuition.
- The school seeks to identify students in true financial need and tries to find ways to increase tuition assistance through grants and work study programs.
- While standardized test scores are used in the evaluation and placement of applicants, high scores are not the sole or primary criterion for admission.
- The Director of Admissions asks the assistance of Catholic elementary school principals in evaluating students from their schools; they also cooperate with local Church officials and diocesan guidelines.
- The school is open to students of all races and nationalities.
- No special financial, academic or transportation considerations are given to any applicant or student because of athletic ability.

Catholic High School admits students of any race, color, national or ethnic origin, or religious preference. In admitting students, we look for young people who can profit from and contribute to the religious and educational mission of the school. While accepting the fact that there is a limit to what any one institution can do, we believe that the school is to serve a broad cross section of students with regard to both academic ability and socioeconomic status. Promoting and maintaining a diversity of students within the school community is a positive value consistent with the tradition of the Brothers of the Sacred Heart. Therefore, in the admission of students, high priority is given to those whose families have supported our schools and Catholic schools in general, and great care is taken to ensure that the school does not become available only to the social, academic or athletic elite.

FINANCIAL INFORMATION

- Tuition and new student registration for 2022-2023 is \$12,695.
- Installment tuition payments are interest-free and require no bank financing.
- Tuition can be paid monthly, semi-annually or annually. All payments are made through electronic drafts of checking, savings, credit or debit card accounts.
- Tuition assistance is available for students whose families have financial need.
