

Credit By Exam Information

Region 7 Education Service Center will offer Credit by Exam tests from the University of Texas at Austin for grades 3 - 12.

Region 7 ESC Quarterly Testing Windows for BISD:

April 1 - June 30 (Month of June)

July 1 - September 30 (Month of July)

Because of the time allotted for each test (3 hours), students must arrive promptly for each of the testing times. In addition, students who are taking multiple tests should allow for more than one testing day. Tests usually take from one to three hours to complete with three hours being the maximum time allowed for EACH test taken. Students choose either June or July to complete tests. A specific number of slots are available for students wishing to take Spanish exams. Once the slots have been filled for the Spanish exams, we cannot take any additional students. The chosen dates and times must be adhered to. The cost to districts is \$30.00 per standard exams and \$60.00 per full-year credit Languages Other Than English exams.

A battery of four (4) exams (Math, Language Arts, Science, and Social Studies) is offered for grades 3-5. The complete battery must be taken. There will not be any exams offered for students in grades K-2. Please refer to your local district policy regarding testing for K-2 students.

The following exams are offered for grades 3-8:

- Math, Language Arts, Social Studies, and Science

Students may earn credit for an academic subject in grades 6-12 if the student has met the stipulated requirements. In addition, a complete listing of exams and study guides for grades 9-12 can be found at [The University of Texas at Austin/UT High School CBE](#). Please refer to your Board Policy EHDC (LEGAL and LOCAL) for information regarding alternative methods for earning credit.

Note: At the High School level, each semester exam is $\frac{1}{2}$ credit unless otherwise indicated.
