National Junior Honor Society

February 10, 2021

Dear parent or guardian,

The time has come to start the process of selecting students for the National Junior Honor Society for the 2021-2022 school year. Your child has been selected as a possible candidate because he or she meets the GPA requirement of 3.25 or higher. However, he or she **must complete the application as completely as possible** to be considered for the National Junior Honor Society. To be considered in the selection process, the application and a minimum of two recommendations from current teachers must be turned in to me by **Wednesday, March 10th at 3:00**. Applications or materials received after this date and time will not be considered.

Other considerations the committee will take into account include out of school suspensions and/or Saturday school (none will be accepted), after school detentions (no more than 1 total for all years attended middle school), as well as extra curricular activities, leadership, service, and character.

Consideration for the National Junior Honor Society is a great achievement and you should feel proud of what your child has accomplished so far. He or she has taken great academic strides to have maintained a GPA of 3.25 or higher.

If you would like more information concerning the National Honor Society, you may go to http://www.nhs.us/s_nhs/index.asp. If you have any questions or concerns, please feel free to call me at school 975-8340 or email me at rfairburn@laca.org.

Applications are located on the Lakewood Middle School website: as well as in the Lakewood Middle School information area outside the office door.

Sincerely,

Jeanine Fairburn
NJHS Advisor
