Alignment to AUSD CTE Pathways

Automotive Technology & Hybrid/Electric Vehicle Design/Build
- Alternative Energy
- Energy & Power
- Digital Manufacturing
- Pneumatics

Graphic Arts / Multimedia, Social Media Marketing, & Video Production
- Computer Graphics & Game Development
- Computer Aided Drafting & Design
- Flight & Drone Technology
- Video Production

Medical Careers, Medical Assistant, & Emergency Medical Services
- Biomedical Engineering
- Nursing
- Emergency Medical Technician

Engineering
- Introduction to Engineering & Design
- Structural Engineering
- Biomedical Engineering
- Digital Manufacturing
- Robotics
- Flight & Drone Technology
- Pneumatics

Computer Science & Information Technology
- Intro to Computer Science
- Computer Graphics & Game Development
- Computer Aided Drafting & Design
- Flight & Drone Technology
- Robotics

*Personal Finance & Home Maintenance Systems are not directly aligned to a CTE Pathway but are critical skills/information students need to acquire

Description of Units
