2:30- 8TH GRADE CLAP OUT

Dear Community,

They say time flies when you're having fun, and the last month of school proves that each year! It seems like every day is jam packed with exciting activities to celebrate all the hard work that teachers and students put into their learning this year.

As we go into summer, I want to let you know that we will be offering summer school again this year on June 5-8. Please see the last page of this report for more information. We also have our Red, White, & Cards event happening on June 10!

Enjoy your summer and we look forward to seeing you in the fall.

Vickie Hoffman

Superintendent, Triad Local Schools

Student Services

The Triad Preschool Program is doing a fantastic job of providing students with great learning opportunities to prepare them for Kindergarten. Students are met where they are academically and are provided with learning opportunities to help them grow. Students get circle time with read alouds and comprehension activities, free choice, gross motor, and writing practice each day.

Erin Webb

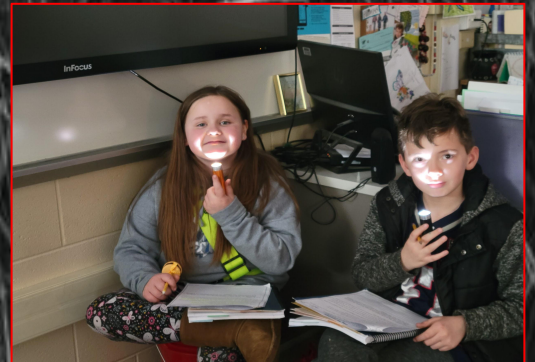

Director of Student Services
webbe@triadk12.org

TRIAD ELEMENTARY SCHOOL

The second annual First Grade Animal Wax Museum was a huge hit!

Our third and fourth grade teachers worked very hard to design clever and engaging stations to review for the state tests!

Lee Claypool

Elementary School Principal
claypool@triadk12.org

TRIAD MIDDLE SCHOOL

Pi Day in fifth grade math with Mrs. Perry! Students did an investigation with cookies. They measured the circumference and diameters of different sized cookies. They discovered that when they took the circumference and divided by the diameter the answer was always around 3.14 (pi).

Mrs. Bottom's 8th grade algebra students got to enjoy the nice weather as they worked on solving quadratic equations.

Vinnie Spirko

Middle School Principal
sprikov@triadk12.org

TRIAD HIGH SCHOOL

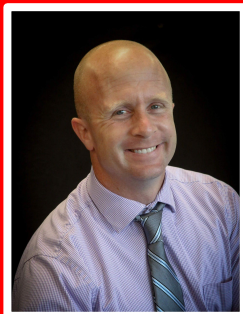

Our students in the Visual & Performing Arts Academic Pathway displayed their talents on 2/21 at the OHC Fine Arts Festival. Congrats to all students selected to attend.

Senior, Kadence Feasel was selected as the Good Citizen Award recipient from the Daughters of the American Revolution.

26 Triad Students were selected to attend Hi-Point next school year.

Todd Schneider

High School Principal
schneidert@triadk12.org

ELEMENTARY

Coming to YOU this summer!
Do you want to have fun?
Do you want to swing into
learning?
Don't be bored at home!

Grab a friend and join our CRAZY
tour guides (a.k.a. Triad
Elementary Teachers!) at our
Jungle Jam as we hike through
different reading, math and
STEM activities! Work with your
fellow tourists to brighten those
reading and math skills and earn
cool prizes!

Will your group be awarded the
Cardinal Group of the week?
You'll never know unless you join
us! We can't do this without you!

MIDDLE

Steamachine:

Incorporate science, technology,
engineering, art, and mathematics by:

- Creating a Rube Goldberg Machine
to catch a mouse. Watch this video
to learn more:

Okay Go Rube Goldberg Video

SPANISH: Students will acquire some
basic Spanish vocabulary through
engaging classroom activities.

GREAT GROUP GAMES:

Strengthen social skills through fun
games that use a variety of learning
styles.

- Build relationships
- Learn to solve problems as a team
- Develop communication skills and
possibly uncover new talents!

HIGH

• PLP Online Learning Coursework;
offered for Credit Recovery or
Enrichment. Receive academic
support during summer camp—
with options to continue working
throughout the summer on your
own.

• AP Boot Camps for Advanced
Placement Course Summer
