

# AP Biology

## Part 2 of Summer Work 2023-24

In the next few days, each of you will receive a code to access the Mastering Biology Site used in AP Biology. To create your account, you will need to do the following. If you have any trouble, please email me as soon as you can so that we can resolve the issue and you can begin to complete the assignments.

1. The MyLab Mastering access code: will be emailed in a separate personal email.
2. You will need a valid email (school email)
3. The educator's Course ID: rogers73198
4. The online textbook we are using is etext, Campbell biology 12<sup>th</sup> edition 2021, AP edition for AP Biology digital delivery.

### Video Overview

[savvas.com/mylab-stu-registration](https://savvas.com/mylab-stu-registration)

[savvas.com/mastering-stu-registration](https://savvas.com/mastering-stu-registration)

### Step-by-Step Instructions

5. Go to: [www.PearsonMyLabandMastering.com](http://www.PearsonMyLabandMastering.com)
2. Under Register, choose Student.
3. Follow the on-screen instructions to complete the registration and create your personal username and password to enter your instructor's MyLab® and Mastering® course.
6. Once you are in, you can see the calendar. The following assignments are due by Sept 1 and are graded assignments. All of these are for review and will ensure we are all on the same page with the foundational information needed for successful completion of the course.

Introduction to Mastering Biology

Themes in Biology

Ch3 Water

Ch4 Carbon chemistry

Ch 5 Macromolecules

Ch 6 The Cell

Ch 7 The Cell Membrane

I hope you will also enjoy the book *Survival of the Sickest* and will find the information interesting and relevant in the study of Biology!
