READING IS AN ADVENTURE!

K-1ST SUMMER READING 2023

SAYRE LOWER SCHOOL

NAME: _____

YOUR READING ADVENTURE BEGINS NOW!

Welcome, Sayre Readers!

Here is your map to a summer full of reading adventure!

The best way to build your brain AND explore new worlds right from home is to read every day, all summer long!

This summer, please read at least 10 books and write each title on the book log on the back of this brochure. Bring your list back to school in August and share your book adventures with your new class!

While you're reading, track your reading adventures here on this map! Every time you "climb" to one of these places while reading, color in the circle on that map pin!

How many will you visit by the end of summer?

And don't forget to look in this passport for a list of suggested K-1 books from our Sayre teachers!

SUMMER READING CLIMB

HOW MANY PINS CAN YOU VISIT THIS SUMMER?
Don't forget to write down each book you read on the back!
