## **For Immediate Release**

In April, 28 students from Fox Prairie Elementary competed in the semi-annual Noetic Learning Math Contest.

Noetic Learning Math Contest is a national mathematics contest for elementary and middle school students. The goal of the competition is to encourage students' interest in math, to develop their problem-solving skills, and to inspire them to excel in the STEM fields.

This spring's contest saw an impressive turnout with more than 35,300 students, representing 754 schools across the country.

The following student is our team winner.

- [Sterling Parker](#)

The following student won the National Honor Roll title. This title is awarded to the top 10% of participating mathletes.

- [Sterling Parker](#)

The following students received National Honorable Mention. This title is awarded to the top 50% of participating mathletes.

- [August Hanssen, Austin Hoch, Beck Dybevik, Carter Swain, Cora Schweigert, Ian Harkins, Jackson Cannady, Joshua Wogsland, Liam Broge, Miles Kuehn, Taylin Heitmann, Theo Heritsch, Zayden Wiesner](#)

Congratulations to all the winners! The contest results demonstrate our students' great problem-solving skills and their math talents. The results also demonstrate the ability of our students to rise to the occasion and meet challenging tasks head-on.
