## Community

May is Asian American Pacific Islander Heritage Month! This annual month-long event is an opportunity to celebrate the many contributions and achievements of the Asian American and Pacific Islander (AAPI) community. It's important to learn more about and uplift the experiences of Asian Americans and Pacific Islanders every single day.

Empty Bowls is June 16th in the Commons 5:30-7:30. Join us for an evening of student art, music, education, and breaking bread to support the Red Blanket Fund! This fundraiser helps support families of missing indigenous women who disappear at 10 times the rate of white women. Pre-register with the QR codes on the posters around the school.

## Seniors

If you have not filled out the Graduation Day dinner order form or the Senior Slideshow form please go to Schoology for the links and fill them out ASAP.

Seniors! All seniors must log into their "Naviance" account and make sure they have completed all tasks listed under "to-do". You have **not met** all your graduation requirements if you **have not completed** all pending tasks. Please reach out to your alpha counselor if you have any questions.

**Seniors:** Please be sure to pay your fines and fees. You can check your balance by logging in to Online Payments on the MIHS home page. All fines/fees must be paid to buy prom tickets or receive your diploma after graduation.
