

Using Sora

Using the Sora app on iPads / Android

(Scroll down for desktop computer/ laptops)

1. On a school district iPad, install the **Sora, by Overdrive** app from the “Self Service” app. On your personal device, install the **Sora, by Overdrive** app the [Apple App Store](#) or [Google Play Store](#).
2. Launch the **Sora** app and select “**White Plains City Schools**” from the dropdown menu.
3. Sign in using your regular district username (without [@live.wpcsd.k12.ny.us](#)) and password.

No dropdown list?

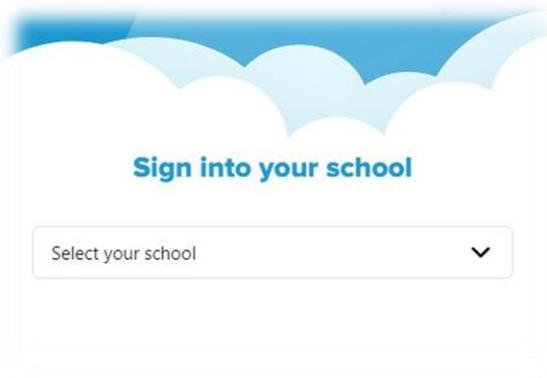

1. If no dropdown appears and you see one of the blue screens below, then select, “**I have a setup code**” on the bottom of the screen.
2. Enter **WPCSD** and click the green button “**Get Started!**”
3. Click the green button, “**Sign in using White Plains City Schools**”
4. Sign in using your regular district username (without [@live.wpcsd.k12.ny.us](#)) and password.

The image displays three screenshots of the Sora app interface. The first screenshot shows the main screen with the Sora logo and a 'Find my school' button. The second screenshot shows a dropdown menu with school options, including 'Southern Westchester BOCES'. The third screenshot shows a 'My school isn't listed' screen with a link to 'I have a setup code'. Red boxes highlight the 'I have a setup code' link on the first and third screens. A red arrow points from the text below to the 'I have a setup code' link on the second screen.

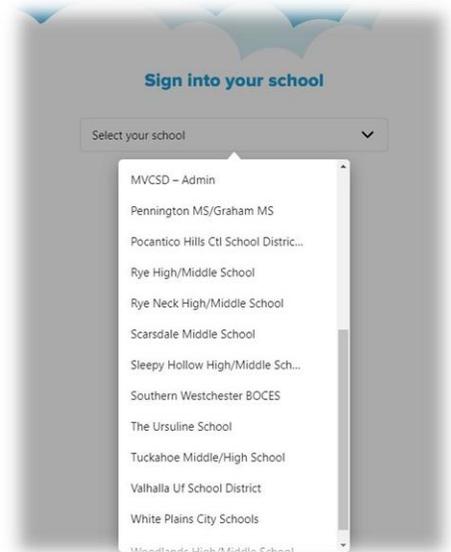

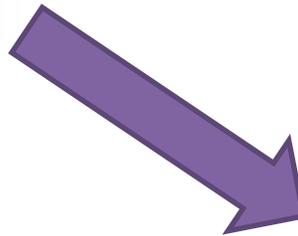

If you see, “I Have a setup code” click on it and enter, **WPCSD**, then in the dropdown menu, select, **White Plains City Schools**

No mobile devices? No worries! Use Sora on a computer or laptop
