

RESETTING STUDENT GOOGLE PASSWORDS

Teacher can reset the student's Google password should the need arise. To do this, first find a link for the desired student:

Student Search

Displaying 1 to 27 of 27

Student ID	Last Name	First Name	Middle Name
	Alfaro	Anthony	
	Barba	Unike	Chloe
	Cabrera	Isabella	Isabella

When clicking the live link, the Student Demographic Details page should appear. On that page is a link to Google Accounts:

Student Demographic Details Quick Nav Google Account Manage Layouts

Back to Previous Search Results New Student Search Previous Student Next Student

Student Name ID Birth Date Age Enrolled at

Anthony Alfaro [ID] 05-04-2004 10 [Enrolled at] School

Currently enrolled at [School] School

General Information

If the Student Demographic page does not initially appear, navigate to it by selecting "Student Demographics" under the "Quick Navigation" tab

Quick Nav Google Account Manage Layouts

Previous Search Results New Student Search Previous Student Next Student

ID Birth Date Age Enrolled at

Quick Nav Google Account

Student Profile

Student Demographics

Student Timeline

Scroll all the way down to the bottom of the screen and find the "Google Account" section.

DO NOT CHANGE THE ACCOUNT NAME OR THE ACCOUNT DOMAIN

Google Account

Account Name * [Field] Use Suggested

Account Domain * vusd.us [Dropdown]

Portal Account Disable Enable

Link Account

If this hasn't already been done, click on the "Link Account" button. If "Link Account" button has already been selected, then the Account Name and Account Domain fields will not be present. After the "Link Account" button has been clicked, the screen allows the user to reset the password. Once the desired password has been established, click on Update Info:
