

STUDENT SEARCH

Users will navigate in Illuminate by using the menu bar located near the upper right portion of the screen:

Users may search for specific students under the “Students” tab. If selecting the “Search 2.0” option...

users may search by any of the criteria that are presented, including Local Student ID, Last Name, Gender, Grade, or other criteria presented in the drop-down fields.

A screenshot of the student search interface. The search form includes fields for Local Student ID, State Student ID, Last Name, First Name, Middle Name, and Gender. Below these are fields for Birth Date, Grade Level (with checkboxes for PRE, TK, K, 1-12), Status (Current student set), and Site (Current Login Site). A blue Search button is located below the form. Below the search form, there is a list of search results with expandable sections: CST 2013, Basic Contacts, Advanced Contacts, Advanced Demographics, and Instructional Programs. Red arrows point from the text above to the Local Student ID, Last Name, Gender, and Search buttons.
