

INTERIM ASSESSMENT BLOCK REPORTS

Interim Assessment results are manually put into the Illuminate system. This process is accomplished periodically. If you are in need of results earlier than our scheduled imports, please notify the Assessment office and your results will be imported.

To view results for the block reports, first list reports in Illuminate, clear all filters, and use a key-word search with the term, "block" in it:

Duplicate	ID	Manage	Type	Title	Author
	403		Prebuilt	Smarter Balanced Interim Block Roster with Summary	Illuminate
	39217		Custom Report	2015-2016 SBAC Interim Assessment Blocks (as of 1/8/16)	Black, Phillip

Select the desired test, and use the "view in browser" button:

Additional Filters

Test Year: 2015-16

Subject: Math

Available Test: Grade 3 Math Interim Assessment Blocks

Download to PDF | Download to Excel | **View in browser**

If multiple tests were given, both scores appear:

Smarter Balanced Interim Block Student Roster
