

STUDENT'S CAASPP TESTING LOG-IN (for PC's)

If students are testing on a PC, they must use the Secure Browser in order to take the Interim Assessment. To use the Secure Browser, they must make sure all other programs are closed, and click on the Secure Browser Icon. This is how they get to the log-in screen.

Once the student clicks on the Secure Browser icon (as long as all other programs are closed), this takes them to their log-in screen. The log-in screen requires them to type in their State Student Identification number (SSID) that must be preceded with a CA-. For instance if Joey's SSID (State ID number is 123456789, then he would type CA-123456789 in the State-SSID field, and he would type Joey into the First Name field. The fields are defaulted to all capital letters, so even if students attempt to type lower case letters, they will appear as capital.

The teacher (or Test Administrator) must set up the session for the student, and the grade level must be appropriate.

A screenshot of the 'Please Sign In' screen. It has three input fields: 'State-SSID: (ex: CA-9999999123)', 'First Name:', and 'Session ID:'. A 'Sign In' button is at the bottom right. The text 'Browser: Secure v7.2' is visible in the bottom right corner. At the bottom left, there is a link: 'Click here to go to the Practice and Training Test Site'.

Teachers will set up the testing session from the CAASPP site, using the "Test Administrator Interface" link:

A screenshot of the CAASPP 'Sign In' page. It features the CAASPP logo at the top, followed by 'Sign In' in a blue bar. Below are fields for 'Username' and 'Password', a 'Forgot Your Password?' link, and a 'Log In' button.

After logging into the CAASPP Test Administrator Interface site, the Test Administrator will select the test, or grade level and subject, and then click on The "Start Session" button:

A screenshot of the 'Start Session' page in the CAASPP Test Administrator Interface. It shows a 'Start Session' button, a 'Student Lookup' button, and a 'Print' button. Below these is a section titled 'Select the test(s) to be included in your test session.' with a 'Filter By' dropdown set to 'Smarter IA'. A list of tests is shown, with 'G7 ELA Listen Interpret (IAB)' selected.

The session ID will appear after the Test Administrator clicks on the Start Session button. This Session ID is located near the upper right corner of the screen. This number must be given to the student or class so that they can complete their log-in, and begin their test.

A screenshot of the top navigation bar of the CAASPP Test Administrator Interface. It shows 'Logged in as: Black, Philip', 'Help', and 'Log Out'. Below this, the 'Session ID' is displayed as 'CA-5C1E-1' next to a QR code icon. To the right, there is a 'Approvals (0)' button with a green checkmark.
