\* Roth contributions are accepted by these vendors.

\*\*ASpire will be the vendor selection you choose on our website when enrolling for a payroll deduction with any vendor that only accepts contributions through ASpire. You or your broker can reach ASpire Financial Services (formerly 403b ASP) directly at 866-634-5873 or go to their website at [www.403bplan.info/inde.php](http://www.403bplan.info/inde.php) .

If you would like to see this option as listed on 403bCompare, go to the 403bCompare website, select "Browse Vendors," select the letter with which your vendor begins (e.g., **A**merican Funds), select the vendor name on the next page, select "Product List" on the next page, select the name of the Product in which you are interested, then select "Product Features" on the following page.

For American Funds, Principal Funds, and some other funds that are no longer available (check the 403bCompare list), you can continue making contributions through a custodial account with ASpire Financial Services, variable annuities or other custodial accounts. You must select an option available through CalSTRS 403bComply so that we are sure the Vendor you choose has agreed to the terms of your Employer's Written Plan and to provide data to CalSTRS 403bComply electronically.

ASpire Financial Services and similar options typically charge additional fees for this service so you will have to determine if this is worthwhile.

CalSTRS 403bComply does not have any business relationship with ASpire Financial Services or any other vendors and does not endorse this or any other company.

**IMPORTANT NOTE:** If CalSTRS 403bComply takes over the administration of your employer's 403(b) plan and your vendor is no longer available, and you want to continue contributing to your 403(b) fund through one of the alternatives above, you must stop your deduction to the fund no longer available and change the deduction to the new alternative you have selected.
