BACKGROUND/SUMMARY:

Purchasing issued a request for proposals to twelve (12) charter bus service companies that service the Central Valley area. Purchasing, along with the Director of Transportation collected and verified all required documents and certifications from the vendors submitting proposals. Four (4) companies submitted proposals – Classic Charter, Orange Belt, Awesome Tours, and Delta Charter. A bid tabulation sheet is attached for review. Through this process, all sites will be able to choose the vendor based on pricing, scheduling, and availability. This is also a convenience to the bus charter companies, as they only have to submit company documentation once instead of multiple times.
