Summer Reading Challenge

Children, teens, and adults can log their reading time to earn fun prizes!

The challenge begins on June 12. Scan the QR Code to sign up!

Visit NorthShoreLibrary.org for more information.

JUNE 12 - AUGUST 5 | FOR CHILDREN AGES 0-11

HOW IT WORKS:

1. Register online at NorthShoreLibrary.Beanstack.org or use the Beanstack app.
2. Read for 800 minutes. Cross off a book each time you read for 20 minutes. Remember that all reading counts! This includes reading independently, reading with others, or listening to others read to you.
3. Enter your reading minutes on Beanstack. If you need help, bring this log to the Children's Desk and we'll record your time for you.
4. Make sure to stop by the Children's Desk to pick up your prizes each time you cross off a circled book! The last day to pick up your prizes is Saturday, August 12.
