

Dear Parents,

This week (Feb. 18-20) in our classroom we will have the following objectives:

Students will:

Write an informational story with a beginning, details and conclusion. (*ex: I know a lot about dogs. They bark. They jump and run. I love dogs.*)

Identify the letter *Uu* and its sound.

Read and spell: *for & have*.

Blend short vowel words using these letters: k, ck, b, l, r, f, e, h, d, o, c, n, p, t, m, s, i and a.

Identify verbs.

Add 2 sets of numbers and identify numbers to 20.

Identify American symbols: American flag, bald eagle, etc.

Here are some things you can do at home to practice these objectives:

- Read books with your child and look for familiar words.
- Practice writing high frequency words.
- Practice writing stories about what they like or don't like.
- Practice adding two sets of objects.
- Read, count and write numbers to 20 and beyond.
- Make sure your child reads the books in his/her folder nightly.

Thanks!

Mrs. Galicia

Ms. Solorio

Ms. Farmer

Ms. Martin
