

Summer Math Challenge

The Challenge:

***To remember your math by practicing all summer long.**

The Prizes:

***Receive a raffle ticket for every 100 minutes of math you practice over the summer. Winners will be drawn in the fall.**

Beginning on May 28, record the number of minutes you practice MATH each day on the form that's on the back of this letter.

Ideas for math practice include: Imagine Math, Prodigy, Reflex, Happy Numbers, Khan Academy, Khan Academy Kids (Pre-K to 1st), Flash cards, Online Worksheets, Math Workbooks, Greg Tang Summer Math Program, Quantile Summer Math Challenge, or real-world math applications like cooking, playing games, grocery shopping, etc.

Already mastered your math facts???? Don't fret...Practice simplifying fractions, decimal to fraction equivalents, or review your grade level math on Khan Academy

For questions, feel free to contact Brittany Carpenter, Parent Volunteer at mecarp31@gmail.com
