**4. Describe the action steps the school/district will take to reduce the opportunity gap in student possession of ASB cards and/or participation in extracurricular activities for the up coming school year.**

With regards to increased possession of ASB cards action steps include: Sharing information regarding the availability of ASB cards for students that qualify under HB 1660 via official school communication platforms, specifically Skyward messenger and school building Smore. Increased awareness of coaches regarding opportunities for students to participate that qualify under HB 1660.

Work with district officials, the transportation department, the other high school, and the three middle schools to advocate for identifying approximately how many students are not participating because of transportation barriers and identify ways to provide after school transportation.
