Dear Parents and Guardians,

As the 2022-2023 school year comes to a close, the faculty and staff of NCECC: St. Michael joins me in thanking our families, volunteers, and Home and School Association for your continued support during the school year. Your dedication to Newman Catholic Schools and our students is immensely appreciated. The children have accomplished so much this year. Please know we are extremely proud of them! We hope you enjoy your summer praying daily as a family, attending Mass regularly, reading often, eating healthy, exercising, getting plenty of rest, exploring and enjoying God's world, and most of all, spending quality time with family!

I have enjoyed getting to know you and your children and watching them learn and grow. I cannot wait to see what next year will bring! Have a wonderful summer and we'll see you in August for the start of the 2023-2024 school year.

God bless,
Sarah Welch, Site Director

Kitchen Activities

Get your preschooler to try new foods by having them help you in the kitchen. Kids feel good about doing something "grown-up." Give them small jobs to do. Praise their efforts. Children are less likely to reject foods that they help to make.

As preschoolers grow, they are able to help out with different tasks in the kitchen. While the following suggestions are typical, children may develop these skills at different ages.

At 2 years:

- Wipe tables
- Hand items to adult to put away (such as after grocery shopping)
- Place things in trash
- Tear lettuce or greens
- Help "read" a cookbook by turning the pages
- Make "faces" out of pieces of fruits and vegetables
- Rinse vegetables or fruits
- Snap green beans

At 3 years:

All that a 2-year-old can do, plus:

- Add ingredients
- Talk about cooking
- Scoop or mash potatoes
- Squeeze citrus fruits
- Stir pancake batter
- Knead and shape dough
- Name and count foods
- Help assemble a pizza

At 4 years:

All that a 3-year-old can do, plus:

- Peel eggs and some fruits, such as oranges and bananas
- Set the table
- Crack eggs
- Help measure dry ingredients
- Help make sandwiches and tossed salads

At 5 years:

All that a 4-year-old can do, plus:

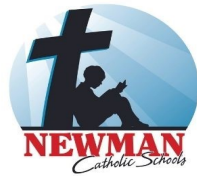

- Measure liquids
- Cut soft fruits with a dull knife
- Use an egg beater
